But it is the Academy interpreted here to mean an institution of Judaic scholarship which dominates this collection of essays For almost three thousand years centres of Jewish learning have flourished in many parts of the world This volume discusses these institutions from biblical times to the present From the time of the Mishnaic Academy at Yavneh established in the first century CE the academies were more than schools of higher religious education They incorporated rational analysis of the scriptures the natural sciences and other secular studies Some of the most celebrated academies such as those in Cairo and Tunisia and later in the Iberian Peninsula were of a very high intellectual order sometimes superior to the great Christian universities It was at these institutions that the great Jewish legal and literary works were written and completed This collection of essays has been written by outstanding scholars who have been associated with David Patterson and the Oxford Centre The essays explore the nature and function of the Jewish Academies in the broadest sense the leading personalities associated with them and their social cultural and moral effect on the Jewish communities of their day

*Jewish Philanthropy and Enlightenment in Late-Tsarist Russia* Brian J. Horowitz, 2015-08-03 The Society for the Promotion of Enlightenment among the Jews of Russia OPE was a philanthropic organization the oldest Jewish organization in Russia Founded by a few wealthy Jews in St Petersburg who wanted to improve opportunities for Jewish people in Russia by increasing their access to education and modern values OPE was secular and nonprofit The group emphasized the importance of the unity of Jewish culture to help Jews integrate themselves into Russian society by opening supporting and subsidizing schools throughout the country While reaching out to Jews across Russia OPE encountered opposition on all fronts It was hobbled by the bureaucracy and sometimes outright hostility of the Russian government which imposed strict regulations on all aspects of Jewish lives The OPE was also limited by the many disparate voices within the Jewish community itself Debates about the best type of schools secular or religious co educational or single sex traditional or modern were constant Even the choice of language for the schools was hotly debated

*Jewish Philanthropy and Enlightenment in Late Tsarist Russia* offers a model of individuals and institutions struggling with the concern so central to contemporary Jews in America and around the world how to retain a strong Jewish identity while fully integrating into modern society

Culture Front Benjamin Nathans, Gabriella Safran, 2014-06-09 For most of the last four centuries the broad expanse of territory between the Baltic and the Black Seas known since the Enlightenment as Eastern Europe has been home to the world s largest Jewish population The Jews of Poland Russia Lithuania Galicia Romania and Ukraine were prodigious generators of modern Jewish culture Their volatile blend of religious traditionalism and precocious quests for collective self emancipation lies at the heart of Culture Front This volume brings together contributions by both historians and literary scholars to take readers on a journey across the cultural history of East European Jewry from the mid seventeenth century to the present The articles collected here explore how Jews and their Slavic neighbors produced and consumed imaginative representations of Jewish life in chronicles plays novels poetry memoirs museums and more The book puts culture at the forefront of analysis

treating verbal artistry itself as a kind of frontier through which Jews and Slavs imagined experienced and negotiated with themselves and each other The four sections investigate the distinctive themes of that frontier violence and civility popular culture politics and aesthetics and memory The result is a fresh exploration of ideas and movements that helped change the landscape of modern Jewish history      *The Modern Jewish Canon* Ruth R. twentieth century Drawing on a multitude of Hebrew and Yiddish texts very few of which have been translated into English and on contemporary autobiographical theory this book provides a literary historical explanatory paradigm for the emergence of the Jewish autobiographical voice The book also provides the English reader with an introduction to the works of central figures in the history of Hebrew and Yiddish literature and it includes discussion of material that has never been submitted to literary critical analysis in English *Yankel's Tavern* Glenn Dynner,2014 In *Yankel's Tavern* Glenn Dynner investigates the role of Jews in tavern keeping in the Kingdom of Poland between 1815 and the uprising of 1863 and its aftermath Commentary ,1981 **New Essays on Call It Sleep** Hana Wirth-Nesher,1996-06-13 A 1996 collection of critical essays on Henry Roth's *Call It Sleep* *Resource Guide, Update 1986* ,1987 **The Essential Klezmer** Seth Rogovoy,2000-01-01 Examines the evolution of klezmer traditional Jewish music from its ancient European roots to its modern popular sound and its survival through the dissolution of Eastern Europe and Jewish assimilation in American culture
