Shtetl Life Judah L. Magnes Memorial Museum, Florence B. Helzel, 1993 **Anna's Shtetl** Lawrence A. Coben, 2011-01-25 A rare view of a childhood in a European ghetto Anna Spector was born in 1905 in Korsun a Ukrainian town on the Ros River eighty miles south of Kiev Held by Poland until 1768 and annexed by the Tsar in 1793 Korsun and its fluid ethnic population were characteristic of the Pale of Settlement in Eastern Europe comprised of Ukrainians Cossacks Jews and other groups living uneasily together in relationships punctuated by violence Anna s father left Korsun in 1912 to immigrate to America and Anna left in 1919 having lived through the Great War the Bolshevik Revolution and part of the ensuing civil war as well as several episodes of more or less organized pogroms deadly anti Jewish riots begun by various invading military detachments during the Russian Civil War and joined by some of Korsun s peasants In the early 1990s Anna met Lawrence A Coben a medical doctor seeking information about the shtetls to recapture a sense of his own heritage Anna had near perfect recall of her daily life as a girl and young woman in the last days in one of those historic but doomed communities Her rare account the product of some 300 interviews is valuable because most personal memoirs of ghetto life are written by men Also very often Christian neighbors appear in ghetto accounts as a stolid peasant mass assembled on market days as destructive mobs or as an arrogant and distant collection of government officials and nobility Anna s story is exceptionally rich in a sense of the Korsun Christians as friends neighbors and individuals Although the Jewish communities in Eastern Europe are now virtually gone less than 100 years ago they counted a population of millions The firsthand records we have from that lost world are therefore important and this view from the underrecorded lives of women and the young is particularly welcome **The Jews of Pinsk, 1506 to 1880** Mordekhai Nadav, Mark Mirsky, 2008 The Jews of Pinsk 1506 1880 is the first part of a major scholarly project about a small city in Eastern Europe where Jews were a majority of the population from the end of the eighteenth century Pinsk boasted both traditional rabbinic scholars and famous Hasidic figures and over time became an international trade emporium a center of the Jewish Enlightenment a cradle of Zionism and the Jewish Labor movement and a place where Orthodoxy struggled vigorously with modernity The two volumes of Pinsk history were originally part of a literature created by Jews who survived the Holocaust and were determined to keep in memory a vital world that flourished for half a millennium In this case the results are extraordinary no town of Eastern Europe has been described in such fascinating detail invaluable to Jewish and non Jewish historians alike For the second volume of this two volume collection see The Jews of Pinsk 1881 1941 **Imagining Russian Jewry** Steven J. Zipperstein, 2013-11-21 This subtle unusual book explores the many often overlapping ways in which the Russian Jewish past has been remembered in history in literature and in popular culture Drawing on a wide range of sources including novels plays and archival material Imagining Russian Jewry is a reflection on reading collective memory and the often uneasy and also uncomfortably intimate relationships that exist between seemingly incompatible ways of seeing the past The book also

explores what it means to produce scholarship on topics that are deeply personal its anxieties its evasions and its pleasures Zipperstein a leading expert in modern Jewish history explores the imprint left by the Russian Jewish past on American Jews starting from the turn of the twentieth century considering literature ranging from immigrant novels to Fiddler on the Roof In Russia he finds nostalgia in turn of the century East European Jewry itself in novels contrasting Jewish life in acculturated Odessa with the more traditional shtetls The book closes with a provocative call for a greater awareness regarding how the Holocaust has influenced scholarship produced since the Shoah
