Game of the Shadowed Crown Mars Algiros, 2025-06-11 Some games are played for gold Others for glory But this one this one plays for souls Kaiven never asked for a legacy He never asked for the past But when a storm shattered the quiet stillness of Duskmoore it brought more than wind and rain it brought a reckoning It began with a knock in the dead of night At his door stood a cloaked messenger rain soaked and silent bearing two relics thought long lost A wide brimmed sea salted hat still haunted by the scent of brine and memory And a weathered journal once belonging to Seamus the grandfather who vanished into legend For weeks the journal remained shut Until one night under a sky torn by stormlight the ink began to move Words shifted Pages bled secrets And a message hidden and waiting surfaced written not just for someone but for

Kaiven That moment cracked the world open What followed was no mere journey it was an unraveling A trail of riddles and ruins seers and symbols whispers in stone and wind Why did Seamus vanish What truths did he bury in the journal s cryptic script And what ancient force now stirs in Kaiven s blood With nothing but fragments to follow Kaiven ventures inland into a realm where shadows remember rivers hum with forgotten songs and old runes pulse with truths too dangerous to name By his side Muffin a soft feathered puffin who dreams of naps snacks and ghost free days but who follows Kaiven into madness anyway Einog a silent sheep whose gaze carries the weight of lifetimes and whose past is guarded like a locked gate Salty a one eyed gull and self declared Storyteller of the Seven Currents who spins tall tales and sharp truths alike Together they chase a myth buried beneath myth The Game of the Shadowed Crown a secret contest forged between two celestial beings Lunaris bearer of divine light Noctirion lord of the fallen dark The Game tests chosen souls across unseen realms of illusion memory and fate Its rules are unknown Its prize unimaginable And Kaiven He might not be a player at all But the key to ending it What begins as a search for family becomes a battle for truth identity and the fate of all who walk beneath starlight With every step Kaiven draws closer to an answer he may not be ready to face Because in this Game every move has a cost And not every soul is meant to survive the board Game of the Shadowed Crown is the lyrical spellbinding opening to Kaiven s Chronicles a saga of riddles relics soul bound destinies and the quiet courage that changes everything For fans of The Name of the Wind Watership Down and The Silmarillion this is a tale of myth reborn of mystery unfurled and a golden hare who must walk the line between legend and oblivion
