William Cobbett,1885 The Harry Bogen Novels Jerome Weidman,2018-10-23 Meet one of the most unscrupulous businessmen in American literature from a New York Times bestselling novelist and Pulitzer Prize winning playwright Set in Manhattan s garment district Jerome Weidman s debut novel I Can Get It for You Wholesale was a scathing satire of capitalist greed as personified by the shameless scoundrel Harry Bogen who became an archetypal figure in American literature the abrasive young man who would do anything to get ahead The New York Times Weidman s prose was praised by no less than F Scott Fitzgerald who called the book a break through into completely new and fresh literary terrain a turning point in the American novel and Ernest Hemingway who enthused I think Weidman can write just a little better than anybody else that s around The book was a sensation and spawned an equally hard driving sequel What s in It for Me as well as a movie version and a musical starring Elliott Gould as Harry and featuring Barbra Streisand s Broadway debut The New York Times As relevant today as when they were first published in the 1930s both novels are now available in a single volume featuring a foreword by Alistair Cooke I Can Get It for You Wholesale The stage for this savagely comic novel is Manhattan s cutthroat garment district where six thousand manufacturers of dresses are crammed into a few blocks Their factories are cramped noisy and incredibly profitable and Harry Bogen is going to take them for all they re worth A classic conniver he knows that it s easier and a hell of a lot more fun to turn a buck by lying than by telling the truth First he convinces the shipping clerks the pack animals of the garment industry to go on strike With the dress manufacturers brought to their knees Harry will be there to pick them up again His conscience might be conflicted if he had one in the first place A slick job of writing as hard boiled as a twelve minute egg The New York Times What s in It for Me In this sharp witted sequel Harry Bogen is again up to his old tricks After Harry built his empire and became king of the garment district he blew it up leaving his partners in jail and securing the whole of the fortune for himself It takes only three months for Harry to find that
