Local Education Order Stephen Hester, D. W. Francis, 2000-01-01 The studies in this book take an ethnomethodological approach to educational phenomena Ethnomethodology's concern is with the locally accomplished and situated character of social order With reference to educational phenomena this means that ethnomethodology investigates how the natural facts of educational life such as daily activities in school classrooms are produced as such in the first place rather than taking for granted the

recognisability of these facts and then theorising their explanation In this sense ethnomethodological studies contrast markedly with other approaches to the study of education Each of the chapters in the book consists of a new and original study Collectively they exhibit the continuing vitality of this tradition and demonstrate ethnomethodology's special commitment to the analysis of educational phenomena as locally ordered and accomplished **The Plantation Series Box Set I: Books 1-3** Stella Fitzsimons, 2014-09-19 When the light of the human species vanished there was a girl and a spark In a world come to an end one girl and one ragtag group of teen slaves find each other in the dark woods They plan to make a stand This collection includes the first three novels in the bestselling dystopian series THE PLANTATION BOOKS The Plantation The Dark Legion The Shadow Empire THE PLANTATION Book 1 A century has passed since they arrived Human history has been erased Children are enslaved on Alien plantations Some have heard whispers of the existence of a rebel band of humans who roam free in the forests Most slaves dare not speak of the rebels for fear the mutant guards will grab and make an example of them Seventeen year old Freya is pulled away in the night not by the mutants but by her old friend Finn to join the Savors the mythic band of rebel teens Her bliss fades when she discovers she is the only Savior without a special ability She is the odd one out slowly pushing Finn away defying Damian the leader of the Savors and antagonizing the fierce and beautiful Daphne In her despair Freya reaches deep within to discover a dark destiny a truth so heavy it threatens to destroy her THE DARK LEGION Book 2 They have waited for her all these years even before she was born She lives hidden from their vulture like drones hidden in the dark cavernous lair of her enemies The unseen ones will come for her They must come for her Their very existence depends on finding her the girl with the gift of light of power of life Haunted by a past she does not understand by a destiny they plan for her Freya must leave the Savors behind leave Damian and Finn leave even little Pip and embark on a perilous journey with a beastly warrior She will venture out beyond the ends of the charted lands risking all she holds dear to cross the dead zone to where the Dark Legion awaits THE SHADOW EMPIRE Book 3 They come from a noble legacy of wonder and discovery They cut through wormholes portals and anomalies like shadows skipping across a celestial sea The hooded ones appear in an instant and disappear in a fraction Every sleeping child fears a glimpse of their ghastly faces in their darkest dreams The Shadow Empire is dying Their struggle for survival has reached a final battlefield in the forests of a primitive planet called Earth Freya the hunted one the most wanted fugitive in the history of the empire wants to make everything right in her own dying world She feels rage flowing through her fingertips She feels her broken heart hungering savage ways She must become like nothing the world has ever known to save Damian to save the floating city to save Finn and Pip and little Tobi too but with war looming will she be able to save her own soul Keywords Young Adult Dystopian Post apocalyptic Teen Dystopian Romance Fantasy with aliens Aliens galactic empire box set dystopian box set The Plantation Series Strong Heroine Teen Romance Alien Invasion Mutants oppression teen fiction power struggle bargain price **The Hollywood Kid** Oscar Martinez, Juan Martinez, 2019-10-01 The compelling story of the life

Culture in Action Stephen Hester, Peter Eglin, 1997 This collection of new studies in ethnomethodology addresses sociology's classical questions by developing that strand of ethnomethodological inquiry dealing with membership categorization This book provides detailed studies of members use of membership categories across various settings from the O J Simpson trial via TV commercials and news headlines to school staff and referral meetings The studies show that category use is occasional that culture is always internal to action accordingly sociology's key theoretical problems and substantive areas are re-specified in terms of members methods of membership categorization This is the first collection of original unpublished studies by internationally renowned practitioners of ethnomethodology of members uses of the descriptive resources of language to describe persons Co-published with The International Institute for Ethnomethodology and Conversation Analysis
