**Addressing the Letter** Laura Anne Salsini, 2010-01-01 Women writers of nineteenth and twentieth century Italy reinvigorated the modern epistolary novel through their re-fashioning of the genre as a tool for examining women's roles and experiences Addressing the Letter argues that many epistolary novels purposely tie narrative structure to thematic content creating in the process powerful texts that reflect and challenge literary and socio-cultural norms Through the lens of the genre Laura A Salsini considers how the works of authors including the Marchesa Colombi Sibilla Aleramo Gianna Manzini Natalia Ginzburg and Oriana Fallaci highlight such issues as love the loss of ideals lack of communication and connection and feminist ideology She also analyses what may be the first woman-authored Italian example of epistolary fiction Orintia Romagnuoli Sacratini's Lettere di Giulia Willet 1818 In their reworking of the epistolary narrative form Italian women writers challenged dominant assumptions about female behaviours roles relationships and sexuality in modern Italy

**Postmodern Ethics** Elizabeth Wren-Owens, 2009-05-05 Postmodern Ethics offers a new perspective on debates surrounding the role of the intellectual in Italian society and provides an original reading of two important Italian contemporary writers Leonardo Sciascia and Antonio Tabucchi It examines the ways in which the two writers use literature to engage with their socio-political environment in a climate informed by the doubts and scepticism of postmodernism after traditional forms of impegno had been abandoned Postmodern Ethics explores ways in which Tabucchi and Sciascia further their engagement through embracing the very factors which problematized traditional committed writing such as the absence of fixed truths the inability of language to fully communicate ideas and intertextuality Postmodern Ethics provides an innovative new reading of Tabucchi's works It challenges the standard view in critical literature that his writing may be divided into engaged texts which dialogue with society and postmodern texts which focus

on literary interiority suggesting instead that socio political engagement underpins all of his works It also offers a new lens on Sciascia s writing unpacking why Sciascia unlike his contemporaries is able to maintain a belief in literature as a means of dialoguing with society Postmodern Ethics explores the ways in which Tabucchi and Sciascia approach issues of terrorism justice the anti mafia movement immigration and the value of reading in connected yet distinct ways suggesting that a close genealogy may be drawn between these two key intellectual figures *Consigli preziosi per una famiglia felice* Sergio
