not going to church since the church was at the top of the hill and it took less than five minutes to walk there It was at that little country church we learned to accept people for who they were and how to treat others within church I believe if we teach our children love and respect for themselves as well as others we can eliminate bullying In the Christian faith all that is asked of us is that we be obedient to God s Word and that we love one another **Sibling Rivalry** Vera Rabie-Azoory,1999
