Love and its Critics Michael Bryson,Arpi Movsesian,2017-07-10 This book is a history of love and the challenge love offers to the laws and customs of its times and places as told through poetry from the Song of Songs to John Milton's Paradise Lost It is also an account of the critical reception afforded to such literature and the ways in which criticism has attempted to stifle this challenge Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called fin amor love as an end in itself mutual and freely chosen even in the face of social religious or political retribution Neither eros nor agape neither exclusively of the body nor solely of the spirit this love is a middle path Alongside this tradition has grown a critical movement that employs a hermeneutics of suspicion in Paul Ricoeur's phrase to claim that passionate love poetry is not what it seems and should be properly understood as worship of God subordination to Empire or an entanglement with the structures of language itself in short the very things it resists The book engages with some of the seminal literature of the Western canon including the Bible the poetry of Ovid and works by English authors such as William Shakespeare and John Donne and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature Lively and enjoyable in its style it attempts to restore a sense of pleasure to the reading of poetry and to puncture critical insistence that literature must be outwitted It will be of value to professional graduate and advanced undergraduate scholars of literature and to the educated general reader interested in treatments of love in poetry throughout history Love, Honour, and Jealousy Niamh

Cullen,2019 As the economic miracle of the 1950s and 1960s transformed Italy from a poor and largely rural nation into a prosperous modern one attitudes to love changed too This book draws on unpublished personal testimonies of ordinary men and women exploring their thoughts on courtship marriage honour forced marriage jealousy and marriage breakdown
