Sickly Stuarts:

The Sickly Stuarts Frederick F. Holmes, 2003 This ground breaking medical history of an entire royal house shows the impact the physical weaknesses of the Stuart Dynasty had on the political turmoil of the time **Sickly Stuarts** Frederick Holmes, 2003-02 [Sex and Sexuality in Stuart Britain](#) Andrea Zuvich, 2020-09-19 An expert in Stuart England examines the sexual lives of Britons in the seventeenth and early eighteenth centuries in this frank informative and revealing history Acclaimed Stuart historian Andrea Zuvich explores the sexual mores of Stuart Britain including surprising beliefs bizarre practices and ingenious solutions for infertility impotence sexually transmitted diseases and more Along the way she reveals much about the prevailing attitudes towards male and female sexual behavior Zuvich sheds light not only on the saucy love lives of the Royal Stuarts but also on the dark underbelly of the Stuart era with histories of prostitution sexual violence infanticide and sexual deviance She looks at everything from what was considered sexually attractive to the penalties for adultery incest and fornication Sex and Sexuality in Stuart Britain touches on the fashion food science art medicine magic literature love politics faith and superstition of the day **Royal Maladies** Alan R. Rushton, 2008 An intensive historical study of the hereditary diseases hemophilia and porphyria in the personal and political lives of the European royal families Part I Nineteenth century medical knowledge of hemophilia as a hereditary bleeding disorder will be considered Hemophilia appeared in a son born to Queen Victoria in 1853 Hemophilia was transmitted through Victoria s unaffected daughters to the ruling houses in Germany Russia and Spain The political consequences of a chronically ill male heir to the throne fostered the demise of the royal families in these countries The royal physicians were well aware of the hereditary nature of hemophilia and failed to advise the British royal family on this matter that had significant political consequences for the modern world Part II The Madness of King George III resulted from variegated porphyria an inherited disorder of heme metabolism The disorder was evident in The immediate family of George III Ancestors from at least the 13th century Descendants into the 20th century The malady was inherited by other ruling houses in continental Europe and affected political life there for over six centuries Genetic analysis will consider how such an anomaly could have been inherited through so many successive generations Preliminary DNA evidence will be considered to document variegated porphyria in living relatives of the British royal family Alternate history if these disorders had not plagued the royal families will be considered in conclusion *The Stuarts in 100 Facts* Andrea Zuvich, 2015-09-15 Discover the history behind the facts *The Royal Doctors, 1485-1714* Elizabeth Lane Furdell, 2001 Drawing upon a myriad of primary and secondary historical sources The Royal Doctors Medical Personnel at the Tudor and Stuart Courts investigates the influential individuals who attended England s most important patients during a pivotal epoch in the evolution of the state and the medical profession Over three hundred men and a handful of women heretofore unexamined as a group made up the medical staff of the Tudor and Stuart kings and queens of England as well as the Lord Protectorships of Oliver and Richard Cromwell The royal doctors faced enormous challenges in

the sixteenth and seventeenth centuries from diseases that respected no rank and threatened the very security of the realm Moreover they had to weather political and religious upheavals that led to regicide and revolution as well as cope with sharp theoretical and jurisdictional divisions within English medicine The rulers often interceded in medical controversies at the behest of their royal doctors bringing sovereign authority to bear on the condition of medicine Elizabeth Lane Furdell is Professor of History at the University of North Florida *Slimy Stuarts* Terry Deary, 2016-03-03 Readers can discover all the foul facts about the SLIMY STUARTS including why some slimy Stuarts ate toads and fleas which king picked his nose and never washed his hands and why people wore fish on their feet With a bold new look these bestselling titles are revised by the author to make HORRIBLE HISTORIES more accessible to young readers Francia, Band 48 Deutsches Historisches Institut Paris, 2021-09-20 Der Band enth lt 36 Beitr ge in deutscher franz sischer und englischer Sprache Die Themenvielfalt reicht von der Fredegarchronik des 7 Jahrhunderts und dem Fortleben des r mischen Rechts im fr hen Mittelalter den Anf ngen diplomatischer Beziehungen und dem Hundertj hrigen Krieg ber die deutsch franz sischen Beziehungen des 17 Jahrhunderts die Eidleistung franz sischer Bisch fe unter Ludwig XIV und die Bibliotheksgeschichte der Fr hen Neuzeit bis zum Pariser Musikleben w hrend der Julimonarchie den Vegetarismus am Vorabend des Ersten Weltkriegs und die aktuelle Genderdebatte in Afrika Mit der Geschichte des K rpers und seiner politischen Rolle am fr hmodernen Hof sowie der B rokratisierung afrikanischer Gesellschaften befassen sich die Beitr ge zweier Ateliers Religion, Loyalty and Sedition William Gibson, 2016-11-15 The Hanoverian Succession of 1714 has not attracted the scholarly attention that it deserves This is partly because the idea of the long eighteenth century stretching from 1688 to 1832 has tended to treat the period as one without breaks However 1714 was in some respects as significant a date as 1688 It was the last time in British history that there was a dynastic change and one in which religious issues were at the forefront in people s minds This collection of essays were among the papers delivered at conferences in 2014 to mark the tercentenary of the Hanoverian Succession of 1714 held at Oxford Brookes University and Bath Spa University They reflect some of the major issues that were evident in the period before during and after 1714 In particular they deal with how disloyalty was managed by the government and by individuals They also demonstrate how central religion was to the process of securing the Hanoverian Succession and to the identity of the new regime established by George I Disloyalty real or imagined was apparent in legal suits in sermons and preaching and in the material culture of the period And once the Jacobite rebellion of 1715 had been overcome the need to secure the loyalty of the Church and clergy was a key objective of the government *Royal Mysteries of the Stuart and Georgian Periods* Timothy Venning, 2023-12-30 Both interesting and disturbing learn all about the alleged attempt to murder James I and VI before he became King of England the plots at court involving poisoned tarts to the marriage court scandal of George III There is nothing new under the sun a phrase ascribed originally to King Solomon applies to the present book with echoes of modern themes exposing royal scandal sex corruption political absolutism attempted religious controversy danger

of mass terrorism murder and suspicious deaths fake news and international threat from superpowers And all focusing on inside stories which today would be investigative journalism with huge popular media interest This is history for both specialists and especially for general readers given media interest including TV and film coverage in exciting popular history as set out by the author The earlier Royal Mysteries in the series were full of tragedy suffering pathos heroism and romance but the present set are equally interesting and disturbing and revisionist These include the alleged attempt to murder James I and VI before he became King of England the scandal at court involving poisoned tarts James toy boy and a subsequent murder trial And the following questions and mysteries did Charles II really promise to convert to Catholicism to please Louis XIV did Charles marry his mistress Lucy Walter mother of rebel Duke of Monmouth was James II and VII an enlightened religious reformer or trying to convert England to Catholicism the religion of European superpowers did George I disappear a hit in modern terms his divorced wife's lover before ascending the English throne did the unpopular Duke of Cumberland murder his gay lover did the hugely admired respectable George III devoted husband and father marry a middle class Quaker woman

Historical Dictionary of the British Monarchy Kenneth J. Panton, 2023-10-15 The foundations of the British monarchy date from the era more than a millennium ago when Anglo Saxon Celtic and Viking peoples competed for dominance Early sovereigns exercised near

absolute power but over time that authority dwindled as the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political control and territorial aggrandizement combined to promote change The strengths and weaknesses of rulers such as William the Conqueror Henry VIII Elizabeth I and Mary Queen of Scots and Queen Elizabeth also contributed to the evolution of the monarchy and are documented here Historical Dictionary of the British Monarchy Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries that cover significant events places institutions and other aspects of British culture economics politics and society This book is an excellent resource for students researchers and anyone wanting to know more about the British monarchy **The Rises and Falls of the Royal Stewarts**

Oliver Thomson,2011-09-16 This is the 1 000 year saga of the remarkable Scottish family who began as stewards then became Stewarts the Royal Stewarts and finally Stuarts They were remarkable not only for the continuity of the male line which went for 26 generations without a break but also for the 340 years that they held on to sovereign power Yet despite the longevity of the dynasty the lives of many individuals were violent and short Of the fourteen Stewart monarchs eight failed to reach the age of fifty Six of the fourteen died violent deaths two were murdered two executed and two killed in battle Because of the tendency towards early death the average age of accession was only twenty three and six came to the throne before they were ten Of the non royals over 100 were murdered and over 200 executed It is a remarkable tale of tenacity and adaptability that has seen the family survive for 1 000 years The Rises and Falls of the Royal Stewarts tells their fascinating tale with verve and drama [An Illustrated Introduction to the Stuarts](#) Pamela Womack,2014-09-15 One of the first in a new series of short accessible guides to popular history subjects the Illustrated Introductions

The Day the King Defaulted Moshe Arye Milevsky,2017-09-13 This book studies King Charles II s decision to stop all payments from his royal exchequer a sordid but little known event in English history with eerie similarities to the cause of the Great Recession of 2008 As with any modern banking crisis the financial system in 1672 almost collapsed day to day commerce ground to a halt houses were lost and ordinary investors suffered but there was no banking bailout and no mercy for the goldsmith bankers who had lent the king millions to fund his unsustainable lifestyle The royal decision made in the wake of plagues fires and war with the Dutch left bankers unable to cover their own liabilities and in the days before bankruptcy they couldn t walk away from their obligations and start fresh Many bankers spent the end of their lives in debtors prison but English commoners had little sympathy for the plight of rich financiers a sentiment echoed after the financial crisis of 2008 Ultimately this book tells the complete story of the Merry Monarch s financial default England s first and last using the lens and language of modern financial products and markets It covers the precarious history leading up to the infamous day in 1672 the intrigue surrounding the stop including those who traded on inside information beforehand and the attempt by distressed creditors to gain financial restitution **Swift Studies** ,2003 **Stuart Spouses** Heather R Darsie,2024-11-30

Hardy,1913 **Mary Stuart** Alphonse de Lamartine,2023-02-12 Reprint of the original The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **England under the Tudors and Stuarts** James Birchall,1870
