Sevenfold Sword: Unity Jonathan Moeller, 2018-04-30 The quest of the Seven Swords will destroy kingdoms Ridmark Arban is the Shield Knight questing to stop the rise of the evil New God But Ridmark and his companions are caught

in the war between the final remnant of the dying gray elves and the brutal muridach horde Unless Ridmark can save the gray elves he and his friends will die and the New God will rise in power to enslave the world The Instruments of Battle
James Tanner,2020-01-10 The hitherto forgotten story of the development of the regimental band mainly drummers and buglers A rare piece of social history Books Monthly The Instruments of Battle examines in detail the development and role of the British Army s fighting drummers and buglers from the time of the foundation of the army up to the present day While their principal weapon of war was the drum and bugle and the fife these men and boys were not musicians as such but fighting soldiers who took their place in the front line The origins of the drum and bugle in the classical period and the later influence of Islamic armies are examined leading to the arrival of the drum and fife in early Tudor England The story proper picks up post English Civil War The drum s period of supremacy through much of the eighteenth century army is surveyed and certain myths as to its use are dispelled The bugle rapidly superseded the drum for field use in the nineteenth century until developments on the battlefield consigned these instruments largely to barrack life and the parade ground But there are surprising examples of the use of the bugle in the field through both world wars as the story is brought up to modern day and the instruments relegation to an almost exclusively ceremonial role This is all set against a background of campaigns battles changing tactical methods and the difficult processes of command and control on the battlefield Interwoven is relevant comparison with other armies particularly American and French Stories of the drummers and buglers themselves provide social context to their place in the army The Encyclopædia Britannica: A-ZYM Day Otis Kellogg,Thomas Spencer Baynes,1903 *The Present State of Europe, Or, The Historical and Political Mercury* ,1705
