Transactions of the first Pan-American Medical Congress v.2, 1895 **Senate documents**, 1895 **Cuidados intensivos** Sergi Arroyo, 2012-11-05 Héctor Azcrraga un riguroso médico intensivista con apenas vida emocional recibe una carta de Soledad una mujer a quien no conoce Es una invitación para comenzar un viaje por distintos rincones del mundo en los que descubrir una historia que Soledad quiere contarle A pesar de sus prejuicios fruto de una educación rigida alejada de toda excentricidad acepta la propuesta En Costa Rica y en Venecia Héctor se ve obligado a escuchar cómo dos desconocidos le

acusar de vivir a oscuras En París su propio pasado da un sorprendente salto hasta el presente dejándole sin hablar pero en Buenos Aires aturrido por la terrible noticia que un extraño pintor le espeta abandona el juego huyendo de la aparente demencia de aquella mujer que se obstina en no darle la cara Soledad juega su mayor baza llevándole a su casa de Madrid a un muchacho griego que pondrá las cartas sobre la mesa y quien finalmente le convencerá para que se enfrente a la verdad Un último viaje en el que descubrirá con una emoción jamás imaginada de quién es la mano que le ha cuidado en la sombra para conseguir que Hector sobreviva a lo gris y aprenda a observar los colores de su vida *The Presidio and Militia on the Northern Frontier of New Spain: pt. 1. Polzer, 1986 Acclaimed by readers and reviewers alike the first volume of *The Presidio and Militia on the Northern Frontier of New Spain* was a landmark in the documentary study of seventeenth century Spanish Colonial Mexico Here Charles W Polzer and Thomas E Sheridan bring the same incisive scholarship and careful editing to long awaited Volume Two covering the years 1700-1765 The two part second volume looks at the Spanish expansion as occurring in four north-south corridors that carried the main components of social and political activity Divided geographically materials in this book part 1 relate to the two westernmost corridors while those in the projected book part 2 will cover the corridors north to New Mexico and northeast into Texas Documents in both books demonstrate the importance of regional hostilities rather than exterior threats in the establishment of presidios Materials in this book relate to events and episodes in the Californias the peninsula of Baja California where the situation of the presidial forces was unique in New Spain By bringing into focus the ways that civil religious relations affected the military garrison there these documents contribute immeasurably to a greater understanding of how California itself emerged in history Also covering Sinaloa and Sonora the mainland of the west coast of New Spain records in the book reveal how the Sinaloa coastal forces differed from those in the interior and how they were depended upon for protection in the northern expansion both civil and missionary Because documents on the presidios in northern New Spain are vast in number and varied in content these selections are meant to provide for the reader or researcher a framework around which more elaborate studies might be constructed All of the records have been translated from the Spanish language into readable modern English and are accompanied by transcribed versions of the originals Valuable to both non-specialists and specialists here is an unparalleled resource important not only for the careful selection preparation and presentation of documents but also for the excellent background information that puts them into context and makes them come alive **Pan American Magazine**, 1908 Some numbers include a Sección española *Curia filipica, etc* Juan de
