## Sierra Summer:

**My First Summer in the Sierra (Illustrated Edition)** John Muir, 2019-04-22 My First Summer in the Sierra describes two years period of Muir's life during which he lived in a cabin in Californian mountains. When he came to California and finally settled in San Francisco, John Muir immediately left for a visit to Yosemite, a place he had only read about. Seeing it for the first time, Muir noted that he was overwhelmed by the landscape, scrambling down steep cliff faces to get a closer look at the waterfalls, whooping and howling at the vistas, jumping tirelessly from flower to flower. He climbed a number of mountains including Cathedral Peak and Mount Dana and hiked the old Indian trail down Bloody Canyon to Mono Lake. Touring The Sierra Nevada Cheryl Angelina Koehler, 2007-03-06 The complete guide to the entire Sierra Nevada. The Sierra Nevada is one of the most scenic, biologically diverse, and historically rich mountain ranges in North America. Touring the Sierra Nevada covers the entire range and its adjacent regions, exploring the Sierra Nevada from such world famous sites as Lake Tahoe and Yosemite to picturesque mining towns, scenic alpine lakes, lush vineyards, and colorful hidden byways. Koehler offers suggestions for long tours and exciting daytrips, as well as detailed information about the history, geology, flora, and fauna, economy, and unique features of places along the way. The book is illustrated with photographs and maps of the regions she describes. Koehler includes excursions for automobile travelers, as well as backcountry adventures for hikers. She provides information about attractions in the Sierra's two jumping off cities, Sacramento and Reno, as well as in some of the major towns within the range. There is practical advice about contacting parks, museums, historical sites, visitors bureaus, U.S. Forest Service offices, and other agencies; finding lodging, campgrounds, and restaurants along the way; preparing for weather and altitude changes; and identifying further sources of information about the region in published guides and other books, as well as on websites. Koehler offers her readers the literary companionship of an experienced, charming, and vivacious guide through one of America's most fascinating regions. *My First Summer in the Sierra* John Muir, 2017-10-02 In My First Summer in the Sierra, John Muir recounts his early travels in the Sierra while working as a shepherd. In the summer of 1869, Muir set out from California's Central Valley with a flock of 2,050 sheep and made his way to the headwaters of the Merced and Tuolumne Rivers. As one of America's great philosopher-naturalists, Muir captures the spirit of the Sierra Nevada and brings the reader along as a witness to his great journey. He explores in great detail the mountains, meadows, waterfalls, flora, and fauna of the rich landscape that captured his heart. My First Summer in the Sierra is an excellent introduction to the writings of John Muir. This edition contains 30 illustrations. Oh, these vast, calm, measureless mountain days, inciting at once to work and rest. Days in whose light everything seems equally divine, opening a thousand windows to show us God. Nevermore, however weary, should one faint by the way who gains the blessings of one mountain day, whatever his fate, long life, short life, stormy or calm, he is rich forever.
