Raymond Pearson,2014-09-25 A highly topical analysis of European Nationalism from the French Revolution through to the aftermath of the First World War when the nationalist issues and problems that dominate the political landscape of our own time were already fully established Covering an enormous range of peoples from the Icelanders to the Gypsies from Brittany to Wallachia the book presents a wealth of historical geopolitical information unavailable elsewhere Essential as a reference work it also provides a unique opportunity to survey systematically a crucial but fragmented subject in its full European context For historians political scientists departments of European studies and general readers

The Hashemites

Robert McNamara,2010-09-07 The story of the Arab Revolt and the Hashemite princes who led it during the First World War is inextricably linked in modern eyes to the legend of Lawrence of Arabia as portrayed in David Lean s 1962 film But behind

this romantic image lies a harsher reality of wartime expediency double dealing and dynastic ambition which shaped the modern Middle East and laid the foundations of many of the conflicts that rack the region to this day Arab nationalists claim that British instigation for the Arab Revolt against the Ottoman Empire was a commitment to independence for the Arab people but in this book Robert McNamara shows how the British cultivated the Hashemite Sherifs of Mecca more as an alternative focus during the First World War for Muslim loyalty from the Ottoman Sultan who as Caliph had declared a jihad against the Allies when the Turks joined the Central Powers than a leader of an independent and united Arabia At the same time the Sykes Picot Agreement divided up the Middle East between British and French spheres of influence The sense of betrayal that this caused has coloured Arab nationalists views of the West ever since The main countries of the Middle East Jordan Syria and Iraq are all the creations of the post First World War settlement worked out at the Paris Peace Conference The story of the Hashemite dynasty at the Paris Peace Conference is the story of the birth of the modern history of a region that is now more than ever at the centre of world affairs *Palestine and the Palestinians* Samih K. Farsoun,2018-05-04

Palestine and the Palestinians is a sweeping social economic ideological and political history of the Palestinian people from antiquity to the Road Map to Peace This second edition is thoroughly revised and updated including entirely new chapters on the most current issues confronting Palestine today including Palestinians in Israel the Oslo Accords and the Second Intifada Palestinian refugees and the right to return Jerusalem the diplomatic peace process and two state single state solutions

Soviet Jewish Aliyah, 1989-92 Clive A. Jones,2013-10-18 This book provides new insights into a period of fundamental change in Israel and the Middle East It explains how the Israeli government failed to effectively handle the integration of new emigres from the Soviet Union and how it alienated traditional Likud supporters among Oriental Jews in Israel Clive Jones s argument is that by placing its ideological commitment to the retention of the West Bank above other priorities the Likud leadership made itself beholden to the United States for financial assistance which was then denied The resulting fundamental change in the composition and orientation of the Israeli political leadership has had a major influence on the course of the Arab Israeli peace process **Soviet Jewish Aliyah, 1989-1992** Clive Jones,1996 Soviet Jewish Aliyah 1989

92 provides new insights into a period of fundamental change in Israel and the Middle East It explains how the Israeli government failed to effectively handle the integration of new emigres from the Soviet Union and how it alienated traditional Likud supporters among Oriental Jews in Israel Clive Jones s argument is that by placing its ideological commitment to the retention of the West Bank above other priorities the Likud leadership made itself beholden to the United States for financial assistance which was then denied The resulting fundamental change in the composition and orientation of the Israeli political leadership has had a major influence on the course of the Arab Israeli peace process Iraq John Robertson,2016-09-01

Cities scripts literature the rule of law all were born in Iraq That so many see this ancient land as nothing more than a violent backwater steeped in chaos is a travesty This is the place where for the first 5 000 years of human history all innovations of

worth emerged It was the cradle of civilization In this unrivalled study John Robertson details the greatness and grandeur of Iraq s achievements the brutality and magnificence of its ancient empires and its extraordinary contributions to the world The only work in the English language to explore the history of the land of two rivers in its entirety it takes readers from the seminal advances of its Neolithic inhabitants to the aftermath of the American and British led invasion the rise of Islamic State and Iraq today A fascinating and thought provoking analysis it is sure to be greatly appreciated by historians students and all those with an interest in this diverse and enigmatic country This paperback edition features a new epilogue bringing the work up to date and looking ahead to Iraq s future Making War In The Name Of God Christopher

Catherwood,2008-10-01 From Islam declaring Jihad against the west to Arab against Jew to Catholic against Protestant one question resonates with the global threat we face today Why does God inspire the killing of Man Renowned historian Christopher Catherwood vividly recounts a saga of passion and prejudice that laid the foundation for our own troubled age Beginning with the death in 632 of Muhammad as much political leader and general as prophet Islam commenced its breathtaking spread which under Muhammad s successors eventually conquered an empire larger than Rome s Even as this vast realm broke apart into Sunni and Shiite factions the Christian retaliation ruthlessly and unscrupulously unleashed in 1095 with the First Crusade sparked a clash between East and West that continues to this day The pattern would repeat itself again and again with the Ottoman invasion of the Balkans in which the same Islamic faith that had once been an institution of tolerance in places like Spain became an instrument of expansion with the wars of the Reformation when Catholic and Protestant slaughtered each other in the name of the Prince of Peace and with the endless conflicts of today s Middle East savagely fought over by three faiths that all worship the same God Based on exhaustive research and written with an unflinching unbiased eye toward revealing the often painful truth Making War in the Name of God unveils humanity s ancient habit of sanctifying bloodshed and exposes a past that we forget at our peril Christopher Catherwood teaches history at Cambridge University in England and at the University of Richmond Virginia A fellow of the Royal Historical Society he is the author of several acclaimed books including Churchill s Folly How Winston Churchill Created Modern Iraq A God Divided Understanding the Differences Between Islam Christianity and Judaism and Whose Side Is God On
