Cook, John Stevenson, 2001-08-01 **The Longman Handbook of Modern European History, 1763-1997** Chris Cook, John Stevenson, 1998 This 3rd edition of the Longman Handbook of Modern European History now includes full coverage of the events of the mid 1990s after the former Soviet Union broke up into its constituent parts *Longman Handbook to Modern British History 1714 - 2001* Chris Cook, John Stevenson, 2014-07-10 This compact and accessible reference work provides all the essential facts and figures about major aspects of modern British history from the death of Queen Anne to the end of the 1990s The Longman Handbook of Modern British History has been extended to include a fully revised bibliography reflecting the wealth of newly published material in recent years the new statistics on social and economic history and an expanded glossary of terms The political chronologies have been revised to include the electoral defeat of John Major and the record of New Labour in office Designed for the student and general reader this highly successful handbook provides a wealth of varied data within the confines of a single volume **Longman Handbook of**

Twentieth Century Europe Chris Cook, J. Stevenson, 2014-09-19 The twentieth century was one of constant upheaval across Europe The continent saw wars revolutions and the collapse of empires and a range of leading figures from Stolypin and Stalin to Chirac Schroder and Putin This book provides a detailed yet wide ranging guide to the turbulent events of twentieth century Europe Covering the whole period from Tsarist Russia and Imperial Germany to the Balkan Wars of the 1990 s and the final birth of the Euro in 2002 it provides a convenient user friendly compendium of key fact and figures for the whole of Europe from the Atlantic to the Urals *The Longman Handbook of Modern American History, 1763-1996* Chris Cook, David Waller, 1998 This brand new Handbook will be greatly welcomed by all those teaching and studying American history and politics and indeed by all those simply interested in American affairs It comes as a natural companion to the existing and now well established Handbooks of British and European history The book covers the period from the War of Independence to the present day and is aimed at providing the reader with a handy user friendly desktop companion on all major aspects of modern American history and politics It includes A section devoted to Political History This includes a detailed chronology of the main events information on the Constitution and subsequent amendments listings of all the presidents and major office holders notes on the legislature the judicature and the political parties The actual Constitution and the Bill of Rights are reproduced as appendices at the end of the text Chronologies backed up by key statistics on all the major themes in Social and Religious History Readers will find information on for example public health and social welfare black American history American Indians the women s movement pacifism and the anti war movement and the environment Key facts and figures in

Economic History including sections on population immigration industry and trade agriculture and transport Detailed information on Foreign Affairs and Defence The authors have provided concise summaries of all the major wars and two chronologies one on the armed forces and a second on the Cold War nuclear rivalry and detente between 1942 and 1991 Supporting these main sections are over two hundred succinct Biographies of the key figures a remarkably comprehensive Glossary of Terms running to over sixty pages of text an extensive thematically arrange Topic Bibliography and six maps The book packs an immense amount of information into a convenient and accessible form and will be an invaluable resource for anyone for whom the study of American history is a preoccupation or a pleasure *The Longman Handbook of Modern European History, 1763-1985* Chris Cook, John Stevenson, 1987 [Encyclopedia of the Romantic Era, 1760-1850](#) Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism [Transcultural History](#) Madeleine Herren, Martin Rüesch, Christiane Sibille, 2012-06-19 For the 21st century the often quoted citation past is prologue reads the other way around The global present lacks a historical narrative for the global past Focussing on a transcultural history this book questions the territoriality of historical concepts and offers a narrative which aims to overcome cultural essentialism by focussing on crossing borders of all kinds Transcultural History reflects critically on the way history is constructed asking who formed history in the past and who succeeded in shaping what we call the master narrative Although trained European historians the authors aim to present a useful approach to global history showing first of all how a Eurocentric but universal historiography removed or essentialised certain topics in Asian history As an empirical discipline history is based on source material analysed according to rules resulting from a strong methodological background This book accesses the global past after World War I looking at the well known stage of the Paris Peace Conferences observing the multiplication of new borders and the variety of transgressing institutions concepts actors men and women inventing themselves as global subjects but sharing a bitter experience with almost all local societies at this time namely the awareness of having relatives buried in far distant places due to globalised wars *International Who's Who of Authors and Writers 2004* Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries

detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters **Anglo-American Crossroads** Mark Clapson,2012-12-20 The postwar British city has been shaped by many international forces during the last century but American influences on British urban research and urban planning have been particularly significant Beginning with debates about reconstruction during the Second World War Anglo American Crossroads explores how Americanisation influenced key approaches to town planning from reconstruction after 1945 to the New Urbanism of the 1990s Clapson pays particular attention to the relationship between urban sociological research and planning issues since the 1950s He also addresses the ways in which American developers and planners of new communities looked to the British new towns and garden city movement for inspiration Using a wide range of sources from American Foundation Archives to town planning materials and urban sociologies Anglo American Crossroads shows that although some things went wrong in translation from the USA to Britain there were also some important successes within a transatlantic dialogue that was more nuanced than a one dimensional process of American hegemony **A History of Literary Criticism** M. A. R. Habib,2008-04-15 This comprehensive guide to the history of literary criticism from antiquity to the present day provides an authoritative overview of the major movements figures and texts of literary criticism as well as surveying their cultural historical and philosophical contexts Supplies the cultural historical and philosophical background to the literary criticism of each era Enables students to see the development of literary criticism in context Organised chronologically from classical literary criticism through to deconstruction Considers a wide range of thinkers and events from the French Revolution to Freud's views on civilization Can be used alongside any anthology of literary criticism or as a coherent stand alone introduction **Great Britain** Richard S. Tompson,2014-05-14 An A Z reference guide to significant people ideas places and events in British history
