Look Into The Bible:

Look Into the Bible ANZEA Publishers,1988 **Iran's Great Invasion and Why It's Next in Bible Prophecy** Mark Davidson,2017-02-24 What would you do What if you stumbled across a message a simple interpretation of scripture much simpler than scholars had been telling us and it opened your eyes and completely transformed your perspective of the end times What if you knew in your heart and mind it was true because news coming from the Middle East confirmed this message every day What if millions of lives were about to be deeply affected and someone had to say something And what if that someone had to be you What would you do If you want to know the truth regarding present day events in the Middle East and how they will affect you and your family you need to get this book A major fire has been lit and few are paying attention Dr Sonny Payne founder of New Gate Ministries and host of the international television program Jerusalem Chronicles What Mark has done is create a very quick read for those Christians who can feel something coming but cant put their finger on it who know that God is in control but in a world spiraling into chaos dont know where to go scripturally Chris Mantei Northeast Region Community Voice Voice of the Martyrs The message in this book needs to be heard today I wholeheartedly and enthusiastically recommend this book It will change the way you face the future Carl Sutter senior pastor Foundations Church Loveland Colorado **Footsteps on Life's Pathway** Lewis Weaver,2023-03-14 Reprint of the original first published in 1874 **Looking into the Revelation** Dr. Boyd O. Gray,2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In Looking into the Revelation a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God s Word is the truth a message he hopes will motivate sinners to heed the Lord s gracious call to salvation Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ **Bible Study Manual** Michael Youngblood,2010-10 This book is a step by step guide of how to study the Bible You begin with a look at how the sequence of events And The background context determines the main lesson God intends For The passage Next you learn how to find additional passages about any Bible subject and how to find the root meaning of them The last part of this seminar shows you how all physical mental spiritual things can be understood and determined by three simple principles and ends on how to apply the Bible to your daily life Anyone can study and learn from the Bible even if they have had very little education *What Everyone Should Know about the Bible V.*
