In the background, there are large, rugged mountains with patches of snow or light-colored rock. The sky is overcast and grey. The overall mood is contemplative and serene.

Do you know an impulsive child One who is full of exaggerations quick to respond careless with words and acts without thinking Do you have a child who gets out of his seat regularly while he's not supposed to interrupts conversations or jumps to the front of the line uninvited Impulsiveness is the quick natural response for these kids They might do all these things and more keep in mind they generally do them rapidly Nevertheless in the very same breathe impulsive kids can be quick to defend remorseful for poor decisions and able to leap over obstacles in a single bound There's a gift for us to discover in impulsiveness The disciple Peter emulates both the strengths and weaknesses of impulsive behavior Impulsiveness had Peter rushing into the water to meet Jesus while also quickly cutting off a soldier's ear He was quick to defend responded without thinking and passionate beyond words His impulsiveness allowed him to experience the miracle of walking on water while everyone else watched him from inside the boat The beauty of Peter's impulsiveness is displayed within his life Peter's impulsiveness allowed him to experience close encounters with God He's authentic and real He's growing and he's a challenge But in the end he's solid and the guy others wanted to follow Discovering the gift of impulsiveness begins in the life of Peter *Vindicating God* Troy J. Edwards, 2015-12-26 There are sincere worshippers of Christ who are quite ignorant of how to deal with difficult passages in the Bible that might be used by God's enemies to paint a false picture of Him Many remain confused as to how to deal with passages that seem to go against what they know by their experience is a loving God

I believe that these daily devotions can assist believers in this endeavor When one meditates daily on the truth of God's character then they will not be easily swayed by those who speak against it They will see that there are better ways to understand the passages often presented by those who choose to denigrate God's character

presence is woven throughout this author s life story When did her unique spiritual journey begin Was its source from imagining levitating from her bed at age three Peering on tiptoe into her beloved grandmother s coffin at age five Sitting on her blind grandfather s knee awed by his reading a Braille Bible Or holding her cousin s dying baby as they were rushed from the crash scene to the hospital At a very early age this delightful little girl with curly red hair and matching freckles became convinced that God knew her and loved her However there was scant evidence of her being special in a busy family with nine children moving from place to place following her dad s passion for the excitement of another oil boom It is a candid story of a recklessly begun marriage of passion maturing into a solid and enduring love This same passionate thread is strong bright and binding as she follows God s bidding to become a foster parent yet later watches helplessly in horror as her lovely

virtuous daughter becomes a victim of violent spouse abuse The reader will find an inspiring journey of growing faith meeting all the challenges life can throw at her including three bouts with cancer adopting a troubled teenager and caring for her aged mother diagnosed with Alzheimer s disease Yet that same passionate thread darkens and becomes frayed almost to the breaking point as she describes the Great Divide Readers will immediately identify and recall their own black hole as she describes an ordeal that left an ugly gaping tear in her heart Your heart will run skip and jump as you relive this redhead s adventurous journey of faith
