reward merit when I find it Close the door after you And Mr Fineberg returned with a lighter heart to the great clover seed problem The circumstances which had led Roland to approach his employer may be briefly recounted Since joining the staff of Mr Fineberg he had lodged at the house of a Mr Coppin in honorable employment as porter at the local railway station The Coppin family excluding domestic pets consisted of Mr Coppin a kindly and garrulous gentleman of sixty Mrs Coppin a somewhat negative personality most of whose life was devoted to cooking and washing up in her underground lair Brothers Frank and Percy gentleman of leisure popularly supposed to be engaged in the mysterious occupation known as lookin about for somethin and lastly Muriel For some months after his arrival Muriel had been to Roland Bleke a mere automaton a something outside himself that was made only for neatly laid breakfast tables and silent removal of plates at dinner Gradually however when his natural shyness was soothed by use sufficiently to enable him to look at her when she came into the room he discovered that she was a strikingly pretty girl bounded to the North by a mass of auburn hair and to the South by small and shapely feet She also possessed what we are informed we are children in these matters ourselves is known as the R S V P eye This eye had met Roland s one evening as he chumped his chop and before he knew what he was doing he had remarked that it had been a fine day From that wonderful moment matters had developed at an incredible speed Roland had a nice sense of the social proprieties and he could not bring himself to ignore a girl with whom he had once exchanged easy conversation about the weather Whenever she came to lay his table he felt bound to say something Not being an experienced gagger he found it more and more difficult each evening to hit on something bright until finally from sheer lack of inspiration he kissed her

**A Gentleman of Means: A steampunk adventure novel featuring smart, brave inventors** Shelley Adina,2019-12-21 How much must one sacrifice for the sake of friendship Lady Claire Trevelyan has had to deal with betrayal before but none is quite so painful as the belief that Gloria Meriwether Astor deserted her and her friends and left them to die under the

waters of Venice But when she learns that Gloria has vanished can she do the right thing and attempt to find the missing heiress Of course she must But this does not sit well with the gentlemen in her life who had every reason to believe she planned to settle down at last Suddenly Claire finds herself without a career a fianc or the confidence in her own abilities that has carried her this far Worse Captain Ian Hollys is suffering from the megrims and cannot seem to recover from his dreadful experience as a prisoner Alice s dream of captaining her own ship in England is scuttled Tigg is struggling with a revelation that has turned his life upside down and may result in a betrayal more harrowing than any the flock has yet seen Will the bond of friendship that has brought Claire and the flock together be the very thing that separates them for good Or will love tip the balance and prove that what really defines a gentleman of means is none other than a lady of resources I have to repeat how excellent this series is with the female characters Not just because they re good and capable and interesting but because they re also different Fangs for the Fantasy on A Gentleman of Means A Gentleman of Means is the eighth novel in the Magnificent Devices steampunk cozy fantasy series No strong language just a very proper kiss or two and a satisfying solution If you like books by Gail Carriger Lindsay Buroker or Emma Jane Holloway you re in the right place Enjoy
