Finding Truth in Life and Love: One Man's Journey

George Kyriacou,2022-04-26 Finding Truth in Life and

Love One Man s Journey Wow what a title but I hear you say the great thinkers of our time can explain Love Life and the

Universe so why have you bothered writing a book Stephen Hawking says the universe can and will create itself from nothing

Richard Dawkins explanation of life is We are survival machines robot vehicles blindly programmed to preserve the selfish

molecules known as genes And as for love science has proven that love is just a bunch of chemical reactions So what can I

offer on the subject at hand All these intelligent people indeed have more to say on the subject with all their knowledge gained through degrees and doctorates What can I add to the subject with my most prized qualification being my 100 yards swimming certificate from primary school Well indeed I do not have a lot of knowledge but I do consider that life has taught me to be wise You may ask what the difference is between knowledge and wisdom Well knowledge is knowing that a tomato is a fruit wisdom is not putting tomatoes in your fruit salad Reading some of the explanations by the world s greatest minds like Stephen Hawking when he says the universe will create itself from nothing I get the uneasy feeling that someone is messing with the fruit salad This uneasiness and my stubborn enquiring nature have set me on a half century discovery for truth The earth is travelling at 67 000 miles per hour through space Is someone driving What about all the religions of the world Are some or all of them true What is the truth in any case Does the truth matter Why don t we abandon the truth and all invent our reality to suit our lives Rosh Hashanah Readings Arthur Green,2010-07 A compelling companion to Rosh Hashanah that connects the words of our ancestors and the central ideas of modern spiritual life Through readings and prayers from ancient medieval and modern sources offers powerful personal ways to begin the new year **The Poor Man's Commentary on the Bible. ...
