Man Was Not Born To Cry:

Man was Not Born to Cry Joel S. Goldsmith, 1998 Living the Infinite Way is one of the four foundational books of the Infinite Way teachings Joel Goldsmith recommended that new students begin with this book together with Practicing the Presence In Living the Infinite Way Goldsmith awakens the reader to the possibility that the presence of God is within every individual and that one can live by that Presence and enjoy a more harmonious loving and abundant life The book focuses largely on the nature of God for as Goldsmith says The writings of The Infinite Way contain hundreds of truths but actually there is only one truth that we must know This one truth is the nature of God Take this one thought into meditation What is God What is the nature of God What is the character of God What are the qualities of God What is the true God not the God we were taught to worship as children or that we ignorantly worship Try to empty the already too full vessels because they cannot be filled with the new wine Even if you are seventy empty your old misconceptions and be willing to begin all over with the admission that you do not know God or you would be showing forth more of God s grace Forget all that you have thought or been taught about God and start afresh with this question What is God Goldsmith answers these questions about the nature of God with the letter of truth explaining that when one does not know the correct letter of truth it is difficult to acquire the consciousness that leads to the God experience But he emphasizes we must do more than know the letter of truth intellectually We must consciously realize these truths and it is the practice of meditation that will lift us to that realization Goldsmith goes on to give the reader basic instruction in how to meditate and enter the secret sanctuary of inner quiet where we become aware of the presence of God Meditation he says is the way by which we attain the kingdom of God and then life is lived by Grace The ultimate of meditation is a state of complete silence within Living the Infinite Way thoughtfully ushers the reader along the first steps in the Infinite Way message and helps the reader arrive at the truth that That which I am seeking I already am

All the Year Round ,1869 **Kalyug Kand** Bhagwat Sharma,2015-01-08 Kalyug Kand is an epic poem in English about three hundred pages long It comes in rhyme and rhythm like Hindi poetry English poetry doesnt come like this All of its characters are taken from Ramayana These characters while speaking in their roles as per episode from Ramayana in between start speaking of what is wrong with todays world This book does not fall into any known category of books The revelations of this book are not available with the world of scholars It shows that the world governments fight against extremism and terrorism is like fighting flood with firefighting equipment It tells the extremists and terrorists that they do not know their aims and what they have taken up is not the question of weapons The book is written in seven chapters but its theme is not divided in chapters It takes up the question of governance of public life and traces its genesis to Rig Veda and Old Testament *The Gospel of Mary Magdalena And Me* Rethy Devi,2021-08-31 I m pleased to introduce my novel I have invested last 10 years of my life researching writing and rewriting this book More than 500 books I have read before I wrote this novel Born out of diversity each of these women lived apart for centuries without any meeting finally provides a context and a narrative style unique to this novel And it unravels a freshness of spirit The tug of war between the ideologies of the east and west the interplay of similarities in human nature spread over a vast expanse of time help interpret and understand

herself The story draws its inspiration from my interest in the intriguing nature of feminist ideas alongside spirituality and sexuality It was a sincere effort to highlight my passion for feminist philosophies psychology and politics I chose to write a fiction as I enjoy telling stories and found it a good medium to weave in my other interests in sociology history metaphysics and quantum physics The first part of the novel deals with the recital of life experiences of Mary Magdalene who lived nearly two thousand years ago there was a noble woman called Lexmi who lived in modern era In the second part Lexmi relates to Mary Magdalene her woes as a philosopher and her frustrations reflective of life in today s world War is just like terrorism 20 million people died in the two world Wars and 10 million people vanished at the time of partition of India My novel is seriously discussing these issues
