Budge, 1907      **More Than a Clever Story: What Jesus Wants You to Know About Life From the Parables He Told** Brian Onken, 2024-05-07 Jesus parables They are widely known or at least often referenced But does that mean they are well understood Having slipped into the lingua franca of our day we could be missing some of what He was communicating If familiarity breeds contempt perhaps our sense that we know these stories insulates us from what Jesus was saying about life with God If Jesus intended His parables to be much more than helpful illustrations or memorable word pictures we might need to hear them in a fresh way We could be overlooking what is essential if we read His parables simply as clever stories Like a chef who seasons the meal in such a way that the distinctive flavors of each element is enhanced Brian invites the reader into an invigorating and fresh taste of what Jesus says in His parables Reading each parable attentive to Jesus own words and the context in which these stories are found you ll hear the voice of the Savior in renewed ways No longer will you think of His parables as clever stories but you ll find them to be life giving words from Jesus      **Plutarch's Lives. Contentment, Prosperity, and God's Glory Jeremiah Burroughs,2013-04-20 Why is it difficult to be content when you have so much On the surface it seems unnecessary to instruct someone to be content in times of prosperity However times of prosperity and abundance provide some of the strongest temptations to pull our hearts away from God Jeremiah Burroughs was keenly aware that the riches of this world compete for our affections and challenge our contentment in Christ Originally prepared as an appendix to The Rare Jewel of Christian Contentment this book provides an important conclusion to Burroughs s sermon series on Philippians 4 11 12 I have learned in whatsoever state I am therewith to be content I know both how to be abased and I know how to abound every where and in all things I am instructed both to be full and to be hungry both to abound and to suffer need Table of Contents 1 Introduction 2 What Learning to Be Full Means 3 The Difficulty of Learning to Be Full 4 The Necessity of Learning to Be Full 5 The Excellency of Learning to Be Full 6 The Mystery of Learning to Be Full 7 Lessons for Learning to Be Full 8 Increasing the Guilt of Sins of Abundance 9 Applications for Improving Prosperous Conditions 10 Concluding Words on Contentment Series Description Interest in the Puritans continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and

unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today **Persons of the Best Prudence**
