Few American military figures are more revered than General John J Black Jack Pershing 1860 1948 who is most famous for leading the American Expeditionary Forces in World War I The only soldier besides George Washington to be promoted to the highest rank in the U S Army General of the Armies Pershing was a mentor to the generation of generals who led America s forces during the Second World War Though Pershing published a two volume memoir My Experiences in the World War and has been the subject of numerous biographies few know that he spent many years drafting a memoir of his experiences prior to the First World War In My Life Before the World War 1860 1917 John T Greenwood rescues this vital resource from obscurity making Pershing s valuable insights into key events in history widely available for the first time Pershing performed frontier duty against the Apaches and Sioux from 1886 1891 fought in Cuba in 1898 served three tours of duty in the Philippines and was an observer with the Japanese Army in 1905 during the Russo Japanese War He also commanded the Mexican Punitive Expedition to capture Pancho Villa in 1916 1917 My Life Before the World War provides a rich personal account of events people and places as told by an observer at the center of the action Carefully edited and annotated this memoir is a significant contribution to our understanding of a legendary American soldier and the historic events in which he participated      *The Columbia Companion to American History on Film* Peter C. Rollins,2004-03-24

American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as The Birth of a Nation 1915 Roots 1977 Apocalypse Now 1979 and Saving Private Ryan 1998 how much is entertainment and how much is rooted in historical fact In The Columbia Companion to American History on Film more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and

Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message

**Atomic Narratives and American Youth** Michael Scheibach, 2015-09-17 Following the atomic bombings of Hiroshima and Nagasaki numerous atomic narratives books newspapers magazines textbooks movies and television programs addressed the implications of the bomb Post World War II youth encountered atomic narratives in their daily lives at school at home and in their communities and were profoundly affected by what they read and saw This multidisciplinary study examines the exposure of American youth to atomic narratives during the ten years following World War II In addition it examines the broader social narrative of the atom which included educational social cultural and political activities that surrounded and involved American youth The activities ranged from school and community programs to movies and television shows to government sponsored traveling exhibits on atomic energy The book also presents numerous examples of writings by postwar adolescents who clearly expressed their conflicted feelings about growing up in such a tumultuous time and shows how many of the issues commonly associated with the sixties generation such as peace fellowship free expression and environmental concern can be traced to this earlier generation

Emile de Antonio Randolph Lewis, 2000-11-01 Emile de Antonio 1919 1989 was the most important political filmmaker in the United States during the Cold War Director of such controversial films as Point of Order 1963 In the Year of the Pig 1969 Millhouse A White Comedy 1971 and Mr Hoover and I 1989 de Antonio lived a remarkable life in dissent De Antonio was a womanizing raconteur upper class Marxist Harvard classmate of John F Kennedy World War II bomber pilot and failed English professor who lived a colorful life even before he stumbled headfirst into the New York art world of the 1950s Everything I learned about painting I learned from De Andy Warhol said about his friend who famously drank himself unconscious in Warhol s film Drink De Antonio also was important to the early careers of Jasper Johns Robert Rauschenburg and John Cage Then in 1959 de Antonio took on the chance to distribute the Beat film Pull My Daisy and discovered filmmaking In the first book on de Antonio s life and work Randolph Lewis traces the turbulent development of the filmmaker s career Lewis follows de Antonio s struggle to make films about Joseph McCarthy Richard Nixon and J Edgar Hoover under whose direction the FBI compiled a 10 000 page file on de Antonio and to work with such political allies as Mark Lane Martin Sheen Bertrand Russell Daniel Berrigan and members of
