**Tomahawk Life Force** Jeff Barnhart, 2012-12-07 This book starts in the late eighteen hundreds following a family through various trials as they grow and learn Tomahawk Life Force mainly deals with a ghostly presence that is created in the business end of a tomahawk Through decades of horror and torment the descendants of the family eventually collide which reveals Only a true spirit can create true horror The novel has twists and turns that will shock as well as surprise the reader leading to a unique conclusion

**The 158-Pound Marriage** John Irving, 2018-05-15 Irving looks cunningly beyond the eye catching gyrations of the mating dance to the morning after implications The Washington Post The darker vision and sexual ambiguities of this sensual ironic tale about a marriage a quate in a New England university town foreshadow those of *The World According to Garp* but this very trim and precise novel is a marked departure from the author's generally robust boisterous style Though Mr Irving's cool eye spares none of his foursome he writes with genuine compassion for the sexual tests and illusions they perpetrate on each other but the sexual intrigue between them demonstrates how even the kind can be ungenerous and even the well intentioned destructive One of the most remarkable things about John Irving's first three novels viewed from the vantage of *The World According to Garp* is that they can be read as one extended fictional enterprise *The 158 Pound Marriage* is as lean and concentrated as a mine shaft Terrence Des Pres Deft hard hitting What Irving demonstrates beautifully is that a one to one relationship is more demanding than a free for all The New York Times Book Review

**Cartoons** Kit Schluter, 2024-05-21 One of The Millions Most Anticipated Books for Spring Set in the uncanny valley between Bugs Bunny and Franz Kafka *Cartoons* is an explosive series of outrageous absurdist tales The true surrealist is unblinking convulsive and cheerfully open to the mysterious flow into their texts of mythic and archetypal elements operating beyond their conscious control In *Cartoons* Kit Schluter vaults into the zone of Julio Cortázar Richard Brautigan and late Giorgio di Chirico where the reader breathes the air of pure freedom attained rattling inside the chains of self Jonathan Lethem author of *Motherless Brooklyn* More than simply a book *Cartoons* proposes itself as a genre of imaginary writing in opposition to the realism of most contemporary U S fiction aligning itself

with the French symbolism and Latin American fabulism its author is known to translate A giant cricket with a tiny Kit Schluter in a jar The Girl Who Is a Piece of Paper an umbrella who confuses the words porpoise and purpose in its quest for self fulfillment these are just a few denizens of its pages suffused with a fairy tale like animism A pair of slugs go on a bender A microwave oven decries microaggressions A beer bottle is filled with regret An escalator mechanic's shoe conceals a terrible secret As befits its title Cartoons defies the laws of physics and fiction alike eschewing tonal consistency in favor of a simultaneity of joy and horror ecstasy and disgust wrapped in an extravagant layer of black humor The stories blur the boundary between microfiction and poet's prose featuring impossible transformations and surrealistic events even as they wrestle with urgent psychic and moral dilemmas Heightening the atmosphere of pervasive unreality are a number of drawings by the author which don't so much illustrate as parallel the tales with their own fantastic scenarios Irish Writing in the Twentieth Century David Pierce, 2000 Arranged chronologically by decade from the 1890s to the 1990s each decade is divided into two different types of writing critical documentary and imaginative writing and is accompanied by a headnote which situates it thematically and chronologically The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings The wide range of material encompasses writings of well known figures in the Irish canon and neglected writers alike This will appeal to the general reader but also makes Irish Writing in the Twentieth Century ideal as a core text providing a unique focus for detailed study in a single volume BOOK JACKET

Matthiessen,2012-08-22 When his novel Killing Mister Watson was published in 1990 the reviews were extraordinary It was heralded as a marvel of invention a virtuoso performance The New York Times Book Review and a novel that stands with the best that our nation has produced as literature Los Angeles Times Book Review Now Peter Matthiessen brings us the second novel in his Watson trilogy a project that has been nearly twenty years in the writing A story of epic scope and ambition Lost Man's River confronts the primal relationship between a dangerous father and his desperate sons and the ways in which his death has shaped their lives Lucius Watson is obsessed with learning the truth about his father Who was E J Watson Was he a devoted family man an inspired farmer a man of progress and vision Or was he a cold blooded murderer and amoral opportunist Were his neighbors driven to kill him out of fear Or was it envy And if Watson was a killer should the neighbors fear the obsessed Lucius when he returns to live among them and ask questions The characters in this tale are men and women molded by the harsh elements of the Florida Everglades an isolated breed descendants of renegades and pioneers who have only their grit instinct and tradition to wield against the obliterating forces of twentieth century progress Speck Daniels moonshiner and alligator poacher turned gunrunner Sally Brown who struggles to escape the racism and shame of her local family R B Collins known as Chicken crippled by drink and rage who is the custodian of Watson's secrets Watson Dyer the unacknowledged namesake with designs on the remote Watson homestead hidden in the wild rivers and Henry Short a black man and unwilling member of the group of armed island men who awaited E J Watson in the silent twilight Only a storyteller of Peter Matthiessen's dazzling artistry could capture the beauty and strangeness of life on this lawless frontier while probing deeply into its underlying tragedy the brutal destruction of the land in the name of progress and the racism that infects the heart of New World history **Biographia Britannica Or the Lives of the Most Eminent Persons**

Kippis,1793 Dress & Vanity Fair ,1923 *White Man's Justice, Black Man's Grief* Donald Goines,2021-02-23 The godfather of urban lit Donald Goines knows life on the streets is a one way ticket to life behind bars where suffering is the one and only daily bread For the first time in over a decade his classic White Man's Justice Black Man's Grief is now repackaged and reissued in trade with a whole new look to attract new readers as well as long time fans of the legend himself Barely out of his twenties Chester Hines knows the score He's just another bug crawling through the streets of Detroit waiting to be squashed under the heel of a system meant to keep a brother down But with his old lady on his back his

only options are on the wrong side of the law He didn't need a fortune teller to tell him that sooner or later he'd end up in a system more brutal than the one that forced him there Prison life is raw But it's the only life Chester's got Against all odds he and his crew will forge a brotherhood in hell Together they'll scratch and claw their way day by day suffering unimaginable abuse betrayal and pure uncut hopelessness or die trying *Fated Brothers* Mitchell Childers, 2013-06

It was a dark and stormy night and the elfin army was massed standing at attention in the middle of a clearing of the forest At the head of this army of about two hundred archers and three hundred swordsmen were two figures with armor alike yet unlike the other soldiers One was a tall standing young looking elf woman holding a broadsword to her front with both hands casually on the handle the blade in the ground She was wearing a shiny crown of silver and gold on her head and her long white hair was done in one thick braid at her back that reached down to the base of her spine Her armor was somewhat heavy finely made and was of good shiny steel lined with gold that covered most of her body What didn't cover her body revealed a dress underneath that was made of either silk or something like it Standing next to her was a slightly shorter and younger woman who had features like the other Her armor was a little skimpier but of the same material Steel bracers around her forearms as well as somewhat long steel boots gave her limbs some protection The rest was a chest plate and an Averis chain skirt that went down to her knees Averis being a special metal made entirely by elves The skirt has individual scaled plates of its own and both the chest plate and skirt together exposed her midsection On her head was a tiara All of the armor was fit perfectly to her small but muscular tone frame Her hair was blond and short barely reaching her elegant shoulders and was combed back She stood there beside the older woman with two elegantly curved shortswords held backward in each hand The army stood in wait on top of a hill overlooking a dark fort a half a mile away surrounded by numerous monsters of many types and configurations but all an ugly twisted human form The two women in front stood there for the longest time saying nothing and not moving an inch All that could be heard was the sound of thunder and the rain hitting their armor Just then the silence was broken by the eldest woman in front She said Neiren The younger woman turned to her in response I want you to do something for me The younger woman looked at her with deep concern *How to Be a Man* Harold D.
