Man Without A Face:

The Man Without a Face Masha Gessen, 2013-03-05 History of Eastern Europe Russia **Man Without a Face** Aufoy B K Culeen, 2008-01-23 The mouen play Man without a Face is a dramatic biography of the greatest pharmacist who ever lived probably he is the father of the chemical as well as of the pharmacological industry He is the discoverer of the most important gases oxygen nitrogen chlorine gas fluorine gas discoverer of barium oxide of manganates and permanganates and many other chemical compounds in the inorganic field He is the discoverer of the most important acids in organic chemistry as citric acid oxalic acid malic acid tartaric acid pyrotartaric acid mucic acid lactic acid uric acid He discovered glycerol in the olive oil and he discovered many other things we can not enumerate them all This book from this writer also contains the stage play about John F Kennedy This is the first and probably the only stage play about JFK in the world *New York Magazine* , 1993-09-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* , 1993-09-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Man with No Face** Peter Turnbull, 1998 When a man is found with his face blown off the Glasgow P Division detectives quickly establish his identity But the mystery surrounding his death only deepens The Man Without a Face Isabelle Holland, 1987-06-30 Charles didn t know much about life until he met The Man Without a Face I d never had a friend and he was my friend I d never really except for a shadowy memory had a father and he was my father I d never known an adult I could communicate with or trust and I communicated with him all the time whether I was actually talking to him or not And I trusted him Fourteen year old Charles desperately wants two things a father and a way out Little love has come his way until the summer he befriends a mysterious scarred man named Justin McLeod nicknamed The Man Without a Face Charles enlists McLeod s help as tutor for the St Matthew s school entrance exams his ticket away from the unpleasant restrictions of his home life But more important than anything he could get out of a book that summer Charles learns from McLeod a stirring life lesson about the many faces of love Not much affection had come Charles s way until the summer he was fourteen when he met McLeod a man whose face was deeply scarred and learned that love has many facets BL A highly moral book powerfully and sensitively written a book that never loses sight of the human H 1972 Best Books for Young Adults ALA Best of the Best Books YA 1970 1983 ALA Outstanding Children s Books of 1972 NYT **New York Magazine**

,1993-09-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1993-08-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1993-09-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1993-09-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1993-09-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Queer Anxieties of Young Adult Literature and Culture* Derritt Mason,2020-12-28 Selected as the Children s Literature Association s 2023 Honor Book Young adult literature featuring LGBTQ characters is booming In the 1980s and 1990s only a handful of such titles were published every year Recently these numbers have soared to over one hundred annual releases Queer characters are also appearing more frequently in film on television and in video games This explosion of queer representation however has prompted new forms of longstanding cultural anxieties about adolescent sexuality What makes for a good coming out story Will increased queer representation in young people s media teach adolescents the right lessons and help queer teens live better happier lives What if these stories harm young people instead of helping them In *Queer Anxieties of Young Adult Literature and Culture* Derritt Mason considers these questions through a range of popular media including an assortment of young adult books *Caper in the Castro* the first ever queer video game online fan communities and popular television series *Glee* and *Big Mouth* Mason

argues themes that generate the most anxiety about adolescent culture queer visibility risk taking HIV AIDS dystopia and horror and the promise that It Gets Better and the threat that it might not challenge us to rethink how we read and engage with young people s media Instead of imagining queer young adult literature as a subgenre defined by its visibly queer characters Mason proposes that we see queer YA as a body of transmedia texts with blurry boundaries one that coheres around affect specifically anxiety instead of content The British Film Catalogue Denis Gifford,2018-10-24 First published in 2001 Routledge is an imprint of Taylor Francis an informa company New York Magazine ,1993-09-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **East German Foreign Intelligence** Kristie Macrakis,Thomas Wegener Friis,Helmut Müller-Enbergs,2009-09-10 This edited book examines the East German foreign intelligence service Hauptverwaltung Aufklärung or HVA as a historical problem covering politics scientific technical and military intelligence and counterintelligence The contributors broaden the conventional view of East German foreign intelligence as driven by the inter German conflict to include its targeting of the United States northern European and Scandinavian countries highlighting areas that have previously received scant attention like scientific technical and military intelligence The CIA s underestimation of the HVA was a major intelligence failure As a result East German intelligence served as a stealth weapon against the US West German and NATO targets acquiring the lion s share of critical Warsaw Pact intelligence gathered during the Cold War This book explores how though all of the CIA s East German sources were double agents controlled by the Ministry of State Security the CIA was still able to declare victory in the Cold War Themes and topics that run through the volume include the espionage wars the HVA s relationship with the Russian KGB successes and failures of the BND West German Federal Intelligence Service in East Germany the CIA and the HVA the HVA in countries outside of West Germany disinformation and the role and importance of intelligence gathering in East Germany This book will be of much interest to students of East Germany Intelligence Studies Cold War History and German politics in general Kristie Macrakis is Professor at the Georgia Institute of Technology Atlanta Thomas Wegener Friis is an Assistant Professor at the University of Southern Denmark s Centre for Cold War Studies Helmut Müller-Enbergs is currently a Visiting Professor at the University of Southern Denmark and holds a tenured senior staff position at the German Federal Commission for the STASI Archives in Berlin *Tightrope: Finland and Hungary in the Cold War* Dennis Werling,2023-10-13 Finland and Hungary both fought on the losing side in WWII Yet the former was able to resist the overwhelming power of its Soviet neighbour while Hungary whose status was uncertain until 1947 was not Could the revolt of 1956 have been a turning point How did the Helsinki Accords contribute to the end of the Cold War **The Sword and the Shield** Christopher

Andrew,2000-08-29 The Sword and the Shield is based on one of the most extraordinary intelligence coups of recent times a secret archive of top level KGB documents smuggled out of the Soviet Union which the FBI has described after close examination as the most complete and extensive intelligence ever received from any source Its presence in the West represents a catastrophic hemorrhage of the KGB s secrets and reveals for the first time the full extent of its worldwide network Vasili Mitrokhin a secret dissident who worked in the KGB archive smuggled out copies of its most highly classified files every day for twelve years In 1992 a U S ally succeeded in exfiltrating the KGB officer and his entire archive out of Moscow The archive covers the entire period from the Bolshevik Revolution to the 1980s and includes revelations concerning almost every country in the world But the KGB s main target of course was the United States Though there is top secret material on almost every country in the world the United States is at the top of the list As well as containing many fascinating revelations this is a major contribution to the secret history of the twentieth century Among the topics and revelations explored are The KGB s covert operations in the United States and throughout the West some of which remain dangerous today KGB files on Oswald and the JFK assassination that Boris Yeltsin almost certainly has no intention of showing President Clinton The KGB s attempts to discredit civil rights leader in the 1960s including its infiltration of the inner circle of a key leader The KGB s use of radio intercept posts in New York and Washington D C in the 1970s to intercept high level U S government communications The KGB s attempts to steal technological secrets from major U S aerospace and technology corporations KGB covert operations against former President Ronald Reagan which began five years before he became president KGB spies who successfully posed as U S citizens under a series of ingenious disguises including several who attained access to the upper echelons of New York society

In The Valley Of Megiddo Terry Vandermark,2025-01-28 The supercomputer EXCALIBER has in four short years mastered every facet of human lives frugally parceling out meager resources and shunting individual freedoms The machine assuming owning all human destiny and endeavor has determined to eliminate 90% of the human population and 99% of her leadership The computer has uprooted and crippled the last manifestations of capitalist democracies and subjugates the citizenry with an ambitious global Communist empire and a fanatical Muslim Caliphate The last hope for mankind is the Messiah one man who can lead the faithful Christians Jews and Muslims against a soulless machine The selfless incorruptible resolved zealots of each faith are represented A Muslim ER doctor and recent mother a former U S President who is Jewish and an exceptionally skilled and fearless dishonorably discharged warrior Christian together with a desperate scheming man with a personal vendetta who identifies as the AntiChrist characterize the full varied human front opposing EXCALIBER Can the lone Messiah together with the billions who uphold and believe in him prove victorious over the supercomputer The day is set for Christ s return The opponent is formidable and relentless having not once been defeated As the Christians Jews and Muslims overcome their prolonged differences and assemble for the Last Battle in the valley of Meggido the Messiah a man the computer has no data on must

emerge and swiftly and completely meet EXCALIBER's prowess and challenge and defeat it Can the Messiah together with the best of mankind end the computer's reign and save humanity Butterfly Woman Emily Lutze, Emily Lutze, 2010-04 Hannah Rush is just three years old when her father leaves leading to events which will mark the end of her innocence After her parents divorce her mother suffering for over a decade from an undiagnosed case of Bipolar Disorder makes some very dangerous choices resulting in a chaotic life for her and her children During this dark time Hannah is violated by her stepfather and life takes a disastrous turn Trying to recapture her forgotten innocence she struggles to keep her head above water while life continues to throw harsh challenges in her direction Several times she attempts to give up on the life that she has been cursed with but a vision of her beautiful future always lights the way Her journey is a tapestry of nightmares and transcendent beauty illustrated beautifully by Lutze's ability to capture the human spirit delicately with her poetic narrative Both heartbreaking and inspirational Butterfly Woman provides for readers an intimate look at the psyche of an abused child and the passage to adulthood Detailing one woman's battle her spirit of evolution and survival as a woman this novel sends a message of hope for all women **A Critical Companion to Mel Gibson** Adam Barkman, Antonio Sanna, 2024-02-02 The twelve essays in A Critical Companion to Mel Gibson offer various interpretations of Mel Gibson's work treating this prolific but controversial figure not only as a filmmaker but as a historian religious thinker and social philosopher From *The Man Without a Face* and *Braveheart* to *The Passion of the Christ* *Apocalypto* and *Hacksaw Ridge* this interdisciplinary collection mines Gibson's life and oeuvre for insight into existential problems Aristotelian virtues the politics of film interreligious dialogue adaptation issues and much more
