A Man of No Importance Stephen Flaherty, Terrence McNally, 2003 *A Man of No Importance* Stephen Flaherty, 2003
Vocal Selections Here is another great selection from the musical theatre duo Lynn Ahrens and Stephen Flaherty creators of Ragtime Once on This Island Lucky Stiff and Seussical Titles are A Man of No Importance The Burden of Life Going Up Princess First Rehearsal The Streets of Dublin Books Man in the Mirror Love Who You Love The Cuddles Mary Gave Tell Me Why Welcome to the World **Off Broadway Musicals, 1910-2007** Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer **Seasons of Love** Emily Garside, 2023-11-15 With its groundbreaking score unabashed romanticism and scrappy sensibility Rent was like a firecracker thrown into a hushed theater turning heads and upending conventions But if its unexpected success was the stuff of theatrical legend the story of its making was a bittersweet one with composer Jonathan Larson a student of Sondheim s finally making his Off Broadway debut tragically dying on the night of the final dress rehearsal Even decades later Rent lives on as a warmly remembered chapter in Broadway history yet the show is too often trivialized reduced to parody or dissected in the service of an arid cultural politics In light of this journalist and theater expert Emily Garside has some questions Chief among them Why is Rent taken less seriously than other musicals of its caliber And should it be In Seasons of Love Garside brings both a fan s devotion and a scholar s critical eye to reassess the legacy of this Pulitzer Prize winning musical a quarter century after its premiere Even as the show memorably captured the experience of life on the margins in the late 90s Garside argues that it remains an important and relevant work today She explores the influence it had on diverse casting immersive set design and queer representation in the works that followed in its wake And she dives into the world of past and present Rentheads who share

their formative experiences with the musical which coincided with the dawn of online fan culture Ultimately Rent was an uncommonly innovative and prescient musical and as we survey past works for inspiration and look for ways to fill our theaters there s much to learn from its example

The Theater of Terrence McNally Peter Wolfe,2013-10-23 This first book length work on Terrence McNally shows how his decades in the theater have refined his thoughts on subjects like growing up gay in mannish homophobic Texas Shakespeare s legacy in contemporary drama and the life giving power of forgiveness McNally believes that the ability to forgive a challenge to even the most high minded confirms our humanity because the wrongs done to us usually don t deserve to be forgiven The author shows how McNally s impeccable timing his instinct for a good laugh line and his preference for physical sensation and character over plot helps him reveal both what s important to his people and why his people are important These revelations can shake up audiences while providing a great evening at the theater

Song of the Season Thomas Hischak,2024-03-21 What links the popular songs You ll Never Walk Alone Send in the Clowns Memory and I Am What I Am They all originated in Broadway musicals Song of the Season is for those who believe that the score is at the heart of a musical and is the essential building block on which the rest of a show is built Through a systematic historical survey from 1891 to 2023 it argues that the best musicals survive because of their songs from early 20th century classics such as Show Boat and Oklahoma through to the contemporary sound of Dear Evan Hansen and Hamilton looking at outstanding songs from each Broadway season the development and history of the musical is illustrated with a fresh perspective As song styles and popular music tastes

changed throughout the decades this structure charts the progress of American showtunes alongside popular music forms as songs evolved from the waltz and ragtime to jazz rock rap and hip hop Factual analysis and historical context combine to offer a rich picture of the American songbook from Irving Berlin to Elton John Song of the Season paints a fresh picture for musical theatre students and fans alike illustrating significant changes in the form through the music Analyzed in an accessible and engaging way that doesn't rely on music theory knowledge and including a link to playlist where all the songs of the seasons can be listened to it is a must have for those looking to expand their knowledge of the form and trace the social history of the American showtune

book for the Best Musical *Kiss of the Spider Woman* and *Ragtime* McNally holds the distinction of being one of the few writers for the American theater who excelled in straight drama as well as musical comedy In addition his canon extends to opera his collaboration with composer Jake Heggie *Dead Man Walking* has proven the most successful new American opera of the last twenty five years

Muse of Fire Terrence McNally, 2020-11-25 Acclaimed playwright Terrence McNally's works are characterized by such diversity that critics have sometimes had difficulty identifying the pattern in his career To redress this problem in *Muse of Fire* Raymond Jean Frontain has collected McNally's most illuminating meditations on the need of the playwright to first change hearts in order to change minds and thereby foster a more compassionate community When read together these various meditations demonstrate the profound ways in which McNally himself functioned as a member of the theater community as a strikingly original dramatic voice as a generous collaborator and even as the author of eloquent memorials These pieces were originally written to be delivered on both highly formal occasions academic commencement exercises award ceremonies memorial services and as off the cuff comments at highly informal gatherings like a playwriting workshop at the New School They reveal a man who saw theater not as the vehicle for abstract ideas or the platform for political statements but as the exercise of our shared humanity Theatre is collaborative but life is collaborative McNally says Art is important to remind us that we're not alone and this is a wonderful world and we can make it more wonderful by fully embracing each other I don't know why it's so hard to remind ourselves sometimes but thank God we've had great artists who don't let us forget And thank the audiences who support them because I think that those artists' true mission has been to bring the barriers down break them down not build walls but tear them down
