Management Of Occupational Therapy:

Management in Occupational Therapy Z. B. Maslin, 2013-12-14 My aim in writing this book was to provide a guide to management for student occupational therapists and practitioners in the field It is not intended to provide an answer to every conceivable management situation The organization and delivery of health and social services is being subjected to relentless scrutiny and change Hardly has one proposal been implemented before another one is introduced In view of this the thrust of this book is to highlight key points to be addressed when looking at the delivery of occupational therapy services For this reason the book starts from the viewpoint of one who is in the early stages of an occupational therapy career through to the position of having to manage the staff in an occupational therapy departmentl service Following this plan the book has been organized into two parts Part One covers issues that an occupational therapist has to confront directly in any job situation In this situation she will need to know wh at is expected of her Apart from knowing about the various duties it is necessary to understand the context in which these duties are to be conducted Hence there are chapters that discuss professional responsibilities self management stan dards of practice and the structure of the two biggest employers of occupational therapists the NHS and local authority social services departments *Leading & Managing Occupational Therapy Services* Brend Braveman, 2016-02-19 Put theory and research into practice for real world success Here s your introduction to the use of theory research and evidence in guiding your practice as an occupational therapy manager From leadership and supervision to policies program development and continuous quality improvement you ll find complete coverage of the full range of issues and functions managers encounter in the real worlds in which they practice Whatever your role the practical knowledge and the guidance you ll find here will help you become a more effective OT colleague and manager
