Lawrence A. Greenfeld,Patrick A. Langan,Steven K. Smith,1997 **Ulrich's International Periodicals Directory** Carolyn
Farquhar Ulrich,1999 Legal Information Kent Olson,1998-11-19 Now at last there is a comprehensive and readable guide
designed to help librarians scholars and the general public quickly find the legal information they need While most legal
research books focus on the needs of beginning law students or litigants Legal Information takes a broader view of the law
including its value in other disciplines It explains why legal information exists in certain formats and describes how to get the
most out of the major legal reference tools It also suggests the best sources for different kinds of information and explains
how these resources compare to other available materials **Probation, Parole, and Community Corrections** Dean J.
Champion,2002 For Probation and Parole courses at the sophomore junior undergraduate level Suggesting that all
components of the criminal and juvenile justice systems are interrelated to varying degrees this thorough study describes the
objectives of probation and parole for criminally convicted adults and juveniles and whether these objectives are achieved
Helping students deepen their understanding of these philosophies through an examination of the history of parole and
probation in the United States it describes probation and parole programs considers various classes of offenders and
highlights several problems associated with the selection and training of probation and parole officers including their
relationships with offender clients It remains the only major text of its kind to combine the standard topics in probation and
parole with full coverage of recent trends in community corrections Exceptionally well organized it emphasizes a legalistic
approach noting our key legal cases where appropriate and including our most recent U S Supreme Court decisions
Ulrich's Periodicals Directory 2003 Edgar H. Adcock (Jr.),2003 **Introduction to Forensic Psychology** Curt R.
Bartol,Anne M. Bartol,2025-01-09 Written by authors with extensive experience in both the field and classroom Introduction
to Forensic Psychology Research and Application Seventh Edition equips students with the skills to analyze psychological
knowledge and research findings applying them effectively to both civil and criminal justice systems The text is structured to
cover five vital areas law enforcement and investigative psychology legal psychology criminal psychology victimology and
victim services and correctional psychology while also addressing emerging technologies such as facial recognition and
artificial intelligence Moreover it emphasizes an essential multicultural perspective underscoring the need for sensitivity to

ethnic gender cultural and racial dynamics preparing students to navigate the diverse challenges they will encounter in their professional careers
