

"If we've learned any lessons during the past few decades, perhaps the most important is that preservation of our environment is not a partisan challenge; it's common sense. Our physical health, our social happiness, and our economic well-being will be sustained only by all of us working in partnership as thoughtful, effective stewards of our natural resources."

- Ronald Reagan

Natural Resources And The Environment The Reagan Approach

Sebastian Brünink

Natural Resources And The Environment The Reagan Approach:
