Meikle,2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images **Natural Histories Postcards** Museum Natu American,2015-10 The American Museum of Natural History s Rare Book Collection contains some of the most extraordinary vivid images from the natural world and this beautiful gift box is perfect for any nature enthusiast It features 60 stunning postcards printed with the best selections from the museum s Research library divided into six categories each with ten cards The selections include Fish Mollusks and Other Animals Insects Reptiles and Amphibians Birds and Mammals An informative ten page accordion style booklet provides additional details about the pictures and collection and the box itself can be used for storing stationery and mementos

Postcards Lydia Pyne,2021-10-13 A global exploration of postcards as artifacts at the intersection of history science technology art and culture Postcards are usually associated with banal holiday pleasantries but they are made possible by sophisticated industries and institutions from printers to postal services When they were invented postcards established what is now taken for granted in modern times the ability to send and receive messages around the world easily and inexpensively Fundamentally they are about creating personal connections links between people places and beliefs Lydia Pyne examines postcards on a global scale to understand them as artifacts that are at the intersection of history science technology art and

culture In doing so she shows how postcards were the first global social network and also here in the twenty first century how postcards are not yet extinct [CRM Bulletin](#) United States. into the mysterious health symptoms Darwin developed combing the literature to emerge with a cogent diagnosis of a case that has long fascinated medical historians The result is a colorful portrait of the man his friends and enemies and his seminal work which resonates to this day

Out There Somewhere Simon J. Ortiz,2022-08-30 He has been out there somewhere for a while now a poet at large in America Simon Ortiz one of our finest living poets has been a witness participant and observer of interactions between the Euro American cultural world and that of his Native American people for many years In this collection of haunting new work he confronts moments and instances of his personal past and finds redemption in the wellspring of his culture A writer known for deeply personal poetry Ortiz has produced perhaps his most personal work to date In a collage of journal entries free verse poems and renderings of poems in the Acoma language he draws on life experiences over the past ten years recalling time spent in academic conferences and writers colonies jails and detox centers to convey something of the personal and cultural history of dislocation As an American Indian artist living at times on the margins of mainstream culture Ortiz has much to tell about the trials of alcoholism poverty displacement But in the telling he affirms the strength of Native culture even under the most adverse conditions and confirms the sustaining power of Native beliefs and connections With our hands we know the sacred earth With our spirits we know the sacred sky Like many of his fellow Native Americans Ortiz has been out there somewhere Portland and San Francisco Freiburg Germany and Martinique away from his original homeland culture and community Yet as these works show he continues to be absolutely connected socially and culturally to Native identity We insist that we as human cultural beings must always have this connection he writes because it is the way we maintain a Native sense of existence Drawing on this storehouse of places times and events **Out There Somewhere** is a rich fusion taking readers into the heart and soul of one of today s most exciting and original American poets

Pet Projects Elizabeth Young,2019-12-17 In **Pet Projects** Elizabeth Young joins an analysis of the representation of animals in nineteenth century fiction taxidermy and the visual arts with a first person reflection on her own scholarly journey Centering on Margaret Marshall Saunders a Canadian woman writer once famous for her animal novels and incorporating Young s own experience of a beloved animal s illness this study highlights the personal and intellectual stakes of a pet project of cultural criticism Young assembles a broad archive of materials beginning with Saunders s novels and widening outward to include fiction nonfiction photography and taxidermy She coins the term first dog voice to describe the narrative technique of novels such as Saunders s *Beautiful Joe* written in the first person from the perspective of an animal She connects this voice to contemporary political issues revealing how animal fiction such as Saunders s reanimates nineteenth century writing about both feminism and slavery Highlighting the prominence of taxidermy in the late nineteenth century she suggests that Saunders transforms taxidermic techniques in surprising ways that provide new forms of authority for women Young adapts Freud to analyze literary representations of mourning by and for animals and she examines how Canadian writers including Saunders use animals to explore race ethnicity and national

identity Her wide ranging investigation incorporates twenty first as well as nineteenth century works of literature and culture including recent art using taxidermy and contemporary film Throughout she reflects on the tools she uses to craft her analyses examining the state of scholarly fields from feminist criticism to animal studies With a lively first person voice that highlights experiences usually concealed in academic studies by scholarly discourse such as detours zigzags roadblocks and personal experience this unique and innovative book will delight animal enthusiasts and academics in the fields of animal studies gender studies American studies and Canadian studies
