English Mystics Geraldine Emma Hodgson, 1922

Healing the Divide, Tenth Anniversary Edition Amos Smith, 2024-05-17 *Healing the Divide* is a bold call to understand Jesus according to the earliest lineage of Christian Mystics a call to transform our dualistic minds and heal a divided church This book is a must read if you find yourself frustrated by the fundamentalist and new age polarization of twenty first century Christianity bewildered by religious pluralism or searching for Christianity s elusive mystic core

Existentialists and Mystics Iris Murdoch, 1999-07-01 Best known as the author of twenty six novels Iris Murdoch has also made significant contributions to the fields of ethics and

aesthetics Collected here for the first time in one volume are her most influential literary and philosophical essays Tracing Murdoch's journey to a modern Platonism this volume includes incisive evaluations of the thought and writings of T S Eliot Jean Paul Sartre Albert Camus Simone de Beauvoir and Elias Canetti as well as key texts on the continuing importance of the sublime on the concept of love and the role great literature can play in curing the ills of philosophy Existentialists and Mystics not only illuminates the mysticism and intellectual underpinnings of Murdoch's novels but confirms her major contributions to twentieth century thought

A Lotus of Emptiness Osho, 2021-07-06 Osho is one of the most original minds in this second half of the twentieth century Reading him is sheer pleasure Osho is undoubtedly a master of words and knows how to use them He should be read Many passages from his books are quotable I wish I had written them myself M V Kamath

The Silence We Keep Karol Jackowski, 2010-06-09 In this uplifting and empowering call to action Karol Jackowski a nun for more than forty years speaks out about her life and vocation women in the Church the sexual scandal in the priesthood and why the Catholic hierarchy won't fix it and how Catholics will take back their Church

John Wesley, Natural Man, and the 'Isms' J. Robert Ewbank, 2009-06-05 Founder of the Methodist Church is one of the world's greatest religious figures A practical rather than systematic theologian he wrote and preached for the common man He is well known as a man of one book the Bible but he read like no other during his time We are left with fourteen volumes of his works and eight each of his letters and journals His brother became the troubadour of Methodism writing countless hymns John also took classic Christian works and edited them for the common man to read And if this were not enough he preached thousands of times both indoors and out J Robert Ewbank examines In what Wesley thought about other religions Did he think all religions were from God and therefore there was little difference between them or did he think that there is uniqueness in Christianity Was he concerned about other philosophies and thoughts about religion popular in his day What did he think about Natural Man the Indians the Deists the Jews the Roman Catholics and the Mystics Were they also fine with him or did he discuss the differences between them revealing where he found them wrong Furthermore what did Wesley think about the possibility of salvation for all those who held to these other positions Did he find that it is possible for them to be saved by a loving God or have they stepped outside of the bounds therefore requiring extreme difficulty to be saved In a time of enormous stress on the entire human family as we try to understand appreciate and celebrate our diversity J Robert Ewbank has given us an excellent resource to help us deeply consider the issues and continue to affirm the core values and theology of the Christian movement

The Natural Dynamic of Imaginative and Creative Technology Anthony Ugochukwu O. Aliche, 2014-11-07 There is an age old controversy regarding the major source of human knowledge whether it arises from experience or from reason The Natural Dynamics of Imaginative and Creative Technology presents a

revolutionary reconciliation on this topic As an arbitrator in the philosophical battle of mind body dualism as championed by Aristotle and his contemporaries this study offers a balanced approach It stands out as a peculiar and distinct library in the dynamism of knowledge with particular reference to the domain technological prowess Author Anthony Aliche writes with passion as he seeks to represent a stipulative monolith in the ethical pattern of the present and upcoming generations for a clear achievement of the millennial development goals Humanity has launched itself into a detrimental quagmire allowing appetitive elements to gain the upper hand and oversee the affairs of the rational elements To combat that challenge Aliche offers a blueprint that when used in its conclusive mission will uplift humanity beyond the bounds of sense experience and materialism and into the domain of true knowledge and realities

Mysticism: A Study in Nature and Development of Spiritual Consciousness Evelyn Underhill, 2017-02-15 Remaining a classic in its field this book explains first how mysticism relates to such things as vitalism theology psychology symbolism and magic This treatment may seem unusual for Christian mysticism but it relates widely to the world as we know it and the different practices therein Part Two explores the awakening purification and illumination of yourself and gives solid groundwork for such things as voices visions dreams and other mystical experience

A Religion of One's Own Thomas Moore, 2015-01-06 The New York Times bestselling author and trusted spiritual adviser offers a follow up to his classic *Care of the Soul* Something essential is missing from modern life Many who've turned away from religious institutions and others who have lived wholly without religion hunger for more than what contemporary secular life has to offer but are reluctant to follow organized religion's strict and often inflexible path to spirituality In *A Religion of One's Own* bestselling author and former monk Thomas Moore explores the myriad possibilities of creating a personal spiritual style either inside or outside formal religion Two decades ago Moore's *Care of the Soul* touched a chord with millions of readers yearning to integrate spirituality into their everyday lives In *A Religion of One's Own* Moore expands on the topics he first explored shortly after leaving the monastery He recounts the benefits of contemplative living that he learned during his twelve years as a monk but also the more original and imaginative spirituality that he later developed and embraced in his secular life Here he shares stories of others who are creating their own path a former football player now on a spiritual quest with the Pueblo Indians a friend who makes a meditative practice of floral arrangements and a well known classical pianist whose audiences sometimes describe having a mystical experience while listening to her performances Moore weaves their experiences with the wisdom of philosophers writers and artists who have rejected materialism and infused their secular lives with transcendence At a time when so many feel disillusioned with or detached from organized religion yet long for a way to move beyond an exclusively materialistic rational lifestyle *A Religion of One's Own* points the way to creating an amplified inner life and a world of greater purpose meaning and reflection
