Keepers of the Children Laura M. Ramirez,2004 Keepers of the Children subtitle Native American Wisdom and Parenting uses little known Native American secrets to teach parents how to raise children who know their nature and use their strengths to create lives of meaning and contribution By raising children to unfold the uniqueness in their hearts parents touch the depths of their own By teaching children the secrets of genuine fulfillment they grow up to lead purposeful lives and cherish their parents for this gift Keepers of the Children is the first in a trilogy of parenting books *The Child's Book of Nature* Worthington Hooker,1877 **Discovering Nature with Young Children: Trainer's** Ingrid

Chalufour,Karen Worth,2003-10-01 Field tested across the country this comprehensive curriculum expands and extends the role science has traditionally played in the early childhood classroom The first in a new series Discovering Nature with Young Children explores the wide ranging elements that make up the natural world around us The curriculum replaces simple fact feeding practices with the development of long term scientific reasoning including literacy skills and numeracy skills such as hypothesis inference prediction and estimation A companion to the curriculum this trainer s guide serves as an indispensable handbook for trainers and administrators interested in introducing staff to the curriculum from planning to implementation Special sections outline the curriculum and introduce scientific reasoning to adults and eight workshops detail the complete curriculum for staff members The guide also includes strategies for supporting teachers over time through mentoring and guided discussions Nature Play at Home Nancy Striniste,2019-04-02 A magnificent resource for transforming backyards into stimulating environments which enhance children s creativity learning and fun Richard Louv author of Last Child in the

Woods The Nature Principle and Vitamin N Access to technology has created a generation of children who are more plugged in than ever before often with negative consequences Unrestricted outdoor play reduces stress improves health and enhances creativity learning and attention span In Nature Play at Home Nancy Striniste gives you the tools you need to make outdoor adventures possible in your yard school and neighborhood With hundreds of inspiring ideas and 12 illustrated step by step projects this hardworking book details how to create playspaces that use natural materials like logs boulders sand water and plants of all kinds Projects include hillside slides seating circles sand pits and more The Book on Human Nature Bô Yin Râ,2007 The words I here address to you may to be sure bestir your will to search for timeless truth but all the insights I can offer in my native tongue are always but a call that would awaken you within because the wisdom from the Himavat is taught in other ways Page 56 Do not bar your way to God with questions Let those who live devoid to God and all who worship idols argue whether God exists Page 149 Your reasons are well founded when you doubt that God is indiscernible We by contrast know for certain that God will not respond to anyone who questions his existence Page 149 In seeking God the human being must become the point of your departure lest God remain a stranger to your soul forever Page 150 God is alive in joy not in the gloom of grief Minds enslaved by grief conceived the suffering God to offer him their worship But you should force your grief into your service that it may turn into a helper of your will to joy Page 146

Nature's Ritalin for the Marathon Mind Stephen C. Putnam,2001 ADHD is a childhood epidemic By some estimates 5 percent or more of the school age children in the U S have been diagnosed and most of them are being treated with powerful prescription drugs Scientists have now discovered that a simple basic human activity exercise has the same positive influence on the brain without the negative side effects Nature s Ritalin for the Marathon Mind shows how in a great many cases doses of medication can be decreased or eliminated in favor of a regular schedule of exercise with vast improvements in the quality of life for the children and their families The author describes in detail the scientific basis for exercise as therapy how to determine the optimal schedule and how to help children become motivated to obtain the appropriate level of exercise without parental nagging If you are the parent of a hyperactive child this may be the most important book you will ever read This is not an anti Ritalin book The author notes that in some cases medication is essential and that any change in treatment should be done in consultation with a physician However he shows that exercise is a far better solution for many children one that can be safely tested because it is a natural part of life Outdoor Education Ken Gilbertson,Alan Ewert,Pirkko Siklander,Timothy Bates,2022-04-13 Outdoor Education Methods and Strategies Second Edition shows students how to use physical cognitive and affective methods to effectively teach lessons to a variety of audiences in various outdoor settings
