Department of Public Instruction, 1900 The Education Gazette of the Province of the Cape of Good Hope Cape of Good Hope (South Africa). Education Department, 1920 Victorian Keats and Romantic Carlyle , 2022-02-22 Both John Keats and Thomas Carlyle were born in 1795 but one rarely thinks of them together When one does curious speculations result It is difficult to think of Carlyle as a young Romantic or of Keats as a Victorian Sage but had Carlyle died prematurely and had Keats lived to a ripe old age we might now be considering a Romantic Carlyle and a Victorian Keats Such a juxtaposition leads one to consider the use and abuse the fusions and confusions of period terms in literary history and in criticism Does Carlyle represent Romanticism as typically as Keats Does Keats s work give us any cause to believe that he might have developed into a Victorian poet Do the terms Romanticism and Victorian have any useful literary historical and literary critical value What are the marks of the transition from one to the other Or is the existence of such a transition an illusion In this volume some essays consider aspects of Keats or of Carlyle independently or together or focus on contemporaries of one or other or of both and explore the effect of their literary and ideological relationships and the often indefinable sense that we all have of different styles manners and periods as well as the awareness that we might all be equally deceived about such distinctive boundaries and definitions **Children's Books in Print** , 1993 The Prayer
