Nature and Functions of Authority Yves Rene Marie Simon, 1940 *The Nature of Law* Daniel Mark, 2024-08-15

Challenging the prevailing understanding of the authority of law Daniel Mark offers a theory of moral obligation that is rooted both in command and in the law's orientation to the common good When and why do we have an obligation to obey the law Prevailing theories in the philosophy of law starting with the work of H L A Hart and Joseph Raz fail to provide definitive answers regarding the nature of legal obligation In this highly original and effective new work Daniel Mark argues that there is a prima facie moral obligation to obey the law simply because it is the law In Mark's view the best concept of law one that allows for the possibility of justified authority and obligation defines law as a set of commands oriented to the common good Legal obligation he proposes shares defining features with moral obligation and with religious obligation while aligning wholly with neither This philosophically coherent view of legal obligation offers a viable framework for analyzing important and seemingly paradoxical puzzles about the law such as why civil disobedience is punished as lawbreaking or why war crimes trials for legal but immoral acts present a moral quandary By reconciling the concept of law as command with the role of law in promoting the common good *The Nature of Law* provides an original and important scholarly contribution to the fields of legal philosophy and political thought *The Nature and Function of Faith in the Theology of John Calvin* Victor A. Shepherd, 2004 This fine study exemplifies the best kind of historical theology penetrating in its reading of the texts attentive both to the detail and to the scope of its subject matter and above all alert to the fact that in the history of Christian thought we are in the sphere of theology church and faith A wide circle of new readers will find great profit in studying this rich account of a rich theme John Webster University of Aberdeen **The Performative Nature and Function of Isaiah 40-55** Jim W. Adams, 2006-10-01 This dissertation presents the basic philosophical concepts of speech act theory in order to accurately implement them alongside other interpretive tools The Moral Authority of Nature Lorraine Daston, Fernando Vidal, 2010-08-15 For thousands of years people have used nature to justify their political moral and social judgments Such appeals to the moral authority of nature are still very much with us today as heated debates over genetically modified organisms and human cloning testify *The Moral Authority of Nature* offers a wide ranging account of how people have used nature to think about what counts as good beautiful just or valuable The eighteen essays cover a diverse array of topics including the connection of cosmic and human orders in ancient Greece medieval notions of sexual disorder early modern contexts for categorizing individuals and judging acts as against nature race and the origin of humans ecological economics and radical feminism The essays also range widely in time and place from archaic Greece to early twentieth century China medieval Europe to contemporary America Scholars from a wide variety of fields will welcome *The Moral Authority of Nature*

which provides the first sustained historical survey of its topic Contributors Danielle Allen Joan Cadden Lorraine Daston Fa ti Fan Eckhardt Fuchs Valentin Groebner Abigail J Lustig Gregg Mitman Michelle Murphy Katharine Park Matt Price Robert N Proctor Helmut Puff Robert J Richards Londa Schiebinger Laura Slatkin Julia Adeney Thomas Fernando Vidal Nature and Functions of Authority Yves. Simon,1940 Principles of Property Law Alison Clarke,2020-06-11 Principles of Property Law offers a critical and contextual analysis of fundamental property law providing students with the tools to enable them to make sense of English land law rules in the context of real world applications This new book adopts a contextual approach placing the core elements of a qualifying law degree property and land law course in the context of general principles and practices as they have developed in the UK and other jurisdictions in response to a changing societal relationship with a variety of factors Also drawing on concepts of property developed by political theorists economists and environmentalists Principles of Property Law gives students a clear understanding of how property law works why it matters and how the theory connects with the real world Suitable for undergraduates studying property and land law in England Wales and Northern Ireland as well as postgraduate students seeking an accessible analysis Briefcase on Constitutional & Administrative Law David Herling,2004-03-31 First published in 2004 Routledge is an imprint of Taylor Francis an informa company **The meaning of public authority under the Human Rights Act** Great Britain: Parliament: Joint Committee on Human Rights,2007-03-28 Section 6 of the Human Rights Act HRA makes it unlawful for public authorities to act in breach of Convention rights UK courts have adopted a restrictive interpretation of the meaning of public authority potentially depriving numerous often vulnerable people from the human rights protection afforded by the HRA There has been little evidence of progress since the previous report on this matter HL 39 HC 382 7th report session 2003 4 ISBN 9780104004173 Chapter 2 examines developments in case law since 2004 and the Committee considers the Government s 2005 guidance on contracting for services in the light of the Human Rights Act takes a very negative approach to the difficulties facing the use of contracts to secure better the protection of human rights lacks accessibility and is difficult to understand and has little or no influence on the procurement policies of local authorities In Chapter 3 the Committee considers the case for further action to overcome the problems arising from a narrow interpretation of public authority It concludes that the practical implications of the current case law are such that some service users are deprived of a right to an effective remedy for any violation of their Convention rights The Committee has not seen any convincing evidence that providers would leave the public services market if they were subject to the duty to act compatibly with Convention rights despite the Government s premature and unsupported concerns about market flight In Chapter 4 the Committee considers steps which could be taken to resolve the problems identified including use of legislation to clarify the meaning of public authority in section 6 HRA through a separate supplementary and interpretative statute *The Public Statutes at Large of the United States of America* United States,1926 *Constitutional and Administrative Law* David Pollard,Neil Parpworth,David Hughes,2007-06-14 The fourth

edition of Constitutional and Administrative Law Text with Materials provides a wealth of essential materials drawn from a wide range of sources and integrated with lively commentary It enables students to gain a full understanding of public law by explaining the context of its historical development and current political climate **English Legal System** Steve Wilson, Stephen R. Wilson, Helen Rutherford, Tony Storey, Natalie Wortley, 2014-05 How is the English legal system structured and who takes part in it Does the system ever get it wrong This new textbook provides a clear and accessible guide to the workings of the English legal system Features such as thinking points key debates and talking points help you to engage with the key areas of debate and controversy giving you an excellent grounding for the rest of your studies Online Resource Centre An Online Resource Centre provides 150 multiple choice questions with answers and feedback Regular updates Practical examples of essay questions and answers *Complete Public Law* Lisa Webley, Harriet Samuels, 2021 Complete Public Law combines extracts from key primary and secondary materials with jargon free text to provide a resource for the student new to the study of constitutional and administrative law *The Law of Nature Conservation* Christopher Rodgers, 2013-03-21 This book provides a detailed account of the UK law of nature conservation It covers all the extensive laws introduced in recent years to protect and promote the natural world examining the operation of the legislation in practice **Contextual Authority and Aesthetic Truth** James S. Hans, 1992-01-01 This book explores the relationship between authority and context and attempts to establish the ways in which authority is a function of a particular agent or set of agents and the degree to which it is a product of a context rather than an agent The work is not a sociological or psychological study but rather a literary philosophical speculation into the roots of our conceptions of authority It declares all authority to be aesthetic in nature and is based on an analysis of several key texts from various different cultural backgrounds Foucault Weber Nietzsche Confucius and Homer **Fenwick on Civil Liberties & Human Rights** Helen Fenwick, Richard Edwards, 2016-11-25 More than merely describing the evolution of human rights and civil liberties law this classic textbook provides students with detailed and thought provoking coverage of the most crucial developments in the field clearly explaining the law in context and practice Updated throughout for this new edition Fenwick on Civil Liberties and Human Rights considers a number of recent major changes in the law in particular proposals to replace the Human Rights Act with a British Bill of Rights and the Counter Terrorism and Security Act 2015 whilst also contextualising the impact of reforms on hate speech and contempt due to advances in new media Comprehensive and authoritative this textbook offers an essential resource for students on human rights or civil liberties courses as well as a useful reference for students and scholars of UK Public Law **Public Law Directions** Anne Dennett, 2021 A considered balance of depth detail context and critique Public Law Directions offers the most student friendly guide to the subject empowering students to evaluate the law understand its practical application and approach assessments with confidence The Teachings of Modern Christianity on Law, Politics, and Human Nature John Witte (Jr.), John Witte, Frank S. Alexander, 2006 This is a major

project to be undertaken as part of a broad initiative of the Pew Charitable Trusts and the University of Notre Dame on the role of Christianity in modern society John Witte is one of the editors of the forthcoming Sex Marriage and the Family A Reader in World Religions
