

Nature

By Maya Anthony

Native American Poem

Whispers of the wind, secrets unfold,
Tales of ancient times, stories retold.
Mountains bear witness, rivers concur,
Nature's own historian, memories stir.

Feathers that dance, upon breezy flight,
Carry forth tales, through the moonlit night.
Trees bow in respect, to the wind's soft moan,
Echoes of ancestors, in every tone.

Sacred and ancient, this ethereal sound,
Travels the plains, where spirits are found.
Whispers of ages, to us they bring,
Songs that nature and ancestors sing.

A Poetical Anthology of American Verse Pasquale De Marco, 2025-05-06 A Poetical Anthology of American Verse is a comprehensive and engaging anthology of American poetry featuring a wide range of voices styles and themes From the iconic works of Walt Whitman Emily Dickinson and Robert Frost to the powerful voices of contemporary poets such as Amanda Gorman and Jericho Brown this anthology showcases the richness and diversity of American verse The poems in this collection explore a wide range of human experiences from the beauty of nature to the complexities of love and relationships from the horrors of war to the pursuit of social justice Through these poems we can hear the voices of the American people their hopes their fears and their dreams We can witness the nation s triumphs and its tragedies its moments of division and its aspirations for unity A Poetical Anthology of American Verse is more than just a collection of poems it is a testament to the power of words to inspire to provoke and to heal These poems have the ability to change our perspectives to challenge our assumptions and to open our hearts to new possibilities Whether you are a lifelong lover of poetry or a newcomer to its wonders this anthology is sure to captivate and inspire Within these pages you will find poems that speak to your heart poems that challenge your mind and poems that will stay with you long after you have finished reading them American poetry is a gift a treasure that belongs to us all This anthology is an invitation to explore this treasure to discover the beauty the power and the enduring legacy of American verse If you like this book write a review on google books *Native American Poetry* Indians into Communications Assoc, 1978* *Reconnection* Betty Jean Craige, 2010-11-01 An openly polemical work Reconnection seeks a way of returning the humanities to their place at the center of human life For the past three hundred years to study the humanities has implied an isolation from politics science and society Literary studies in particular have often fallen prey to this isolation by viewing novels plays and poems as impassive verbal icons as texts to be explicated without reference to political context or social significance Seeking a way of ending this self imposed exile of the humanities from the turmoil of social issues and concerns Betty Jean Craige looks to the contextual nondisciplinary thought that began to take hold in academia during the 1960s a development that echoed the rising political awareness brought to the universities by the Vietnam War the civil rights movement and women s liberation Recently this emergent openness in the university has come under attack by conservative critics who have sought to roll back the movement for nontraditional inquiry in academia and to reassert the dominance of hierarchical canonical thought By tracing the ideological history of literary studies Craige shows that this reactionary goal of reimposing canonical thought is in time doomed to failure the age of the discipline is over In its place Craige calls for the creation of a holistic system of learning that will emphasize interdisciplinary and

nondisciplinary research reconnecting literary studies with history and philosophy with science and politics restoring literature itself to a central place in our intellectual discourse and social debate
