Chongo Mundende,2012-09-07 We live in interesting times In our times we know many facts but lack faith We know so much about medicine but enjoy little health We ask many questions but receive few answers Living in a broken world in times where wrong is considered right and right is considered wrong we question the reality of the existence of God Yet wherever we look we see battered scarred bruised maimed and broken people crying for Him God is always present He is never caught off guard or taken by surprise The problems and heartaches we face are a result of sin The solution to sin is Jesus Christ the Creator Savior Sustainer and Answer to all our questionings By accepting Him beholding His love and mercy and studying His Word our lives are transformed into His likeness We become new creations Jesus left the splendor of heaven to come and die for us on a cruel cross at Calvary for the sins He did not commit He would have come and died for us if we were the only sinner in the whole universe In Times Like These is about Jesus and His love for lost humanity In times like these we need Him every nanosecond of the day and night He is coming back soon to take His children home A home where there is no pain

cancer disease tears of sorrow or disappointment Will you go with Him to Paradise Now is the time to get ready     Subject Guide to Books in Print ,1975     **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09     **God's Intertestamental Silence: Then Came Jesus Christ** Saundra L. Washington D.D.,2010-04-07 Part I of this e book summarizes the state of religion among the Jewish people during the long four hundred year period which elapsed between the time of the prophet Malachi and the beginning of the Christian era Part II gives the Gospel s presentation of Jesus as the fulfillment of Israel s hopes their perception of Him and His own claim to be the Messiah     Visions of Agapé Craig A. Boyd,2017-03-02 This book brings together philosophical and theological perspectives on agapistic love The aim of the text is to illuminate the nature of unlimited love by distinct and integrative approaches to the intersection of the divine and the human Various scientific approaches to human forms of love seem to shed light on our nature as social beings But to what extent are the natural desires for affection sexual love and friendship augmented revised perfected or replaced by the gift of grace In other words we can ask how is it that agap modifies or shapes the natural loves Diverse theological and moral traditions address the question in quite startling contrast Thomists follow the dictum that Grace does not destroy nature but perfects it Lutherans draw a sharp contrast between law and Gospel while Wesleyans see charity as the sanctifying power of the Holy Spirit Some feminist theorists see the idea of self giving love as contrary to genuine self fulfilment while the neo Kantians see love as a duty to others and some Kierkegaardians see the command to love as an unusual manifestation of divine command ethics These diverse approaches in light of contemporary research in the natural and social sciences can provide fertile ground for the exploration of the intersection of human and divine love To date there is no text available that brings scholars from various theological and philosophical backgrounds together to engage in interdisciplinary dialogue on this important and much neglected aspect of research into the human and divine loves This book offers a significant attempt to remedy the situation     **Hannah Arendt** Hannah Arendt,1994-01-01 Despite such thematic diversity virtually all the contributors have made an effort to build bridges between interest driven politics and Arendt s Hellenic existential politics Although some are quite critical of the way Arendt develops her theory most sympathize with her project of rescuing politics from both the foreshortening glance of the philosopher and its assimilation to social and biological processes     **The Texas Outlook** ,1962     Art press ,1998     *The Elementary School Library Collection* ,1998
