Navies of South-East Asia James Goldrick, Jack McCaffrie, 2013 A comprehensive survey of the development and operations of the navies of South East Asia since the end of the Second World War from p 1 *Navies of South Asia* Kunwar Rajendra Singh, 2002 The book analyses the evolution of navies of South Asian states Though all of them can trace their root to the British naval policy in the sub continent they have over the period responded in different ways to the naval and maritime challenges in the context of their national requirements as well as changing regional and international environment The book also projects the policies of the respective navies in the near future **Navies of South Asia** K.R.
