

# Architecture of keladi Nayaka History

- The Keladi Nayakas built some fine temples in Ikkeri and Keladi using a combination of late Kadamba, Hoysala, Vijayanagar, and Dravida styles. The use of granite for their construction shows they simply followed the Vijayanagar model of architecture. The Aghoreshwara temple at Ikkeri and the Rameshwara temple at Keladi are the best examples of the Nayakas' art. Vijayanagar-style pillars with hippogryphs are common; called *yali* columns (depiction of horses and lions as seen in Hampi) is found here. These are pillars with lions, either with their forepaws raised or simply in a sitting position, and pillars with a mythical horse-like animal with front legs raised, balancing on its rear legs, and with an armed rider on its back which are worth seeing at Ikkeri. A roof sculpture depicting a Gandaberunda, the mythical two-headed bird of Karnataka, is found in Keladi. Also, in the Rameshwara temple, a pillar sculpture shows Maratha Rajaram with Keladi Chennamma (history has it that Rajaram was protected by the queen when he was on the run from the Mughals).

Historical Dictionary of Medieval India Iqtidar Alam Khan, 2008-04-25 The medieval period of Indian history is difficult to define clearly It may be perceived as the long phase of India's transition from the ancient to the immediately pre colonial times The latter period would naturally be imagined commencing from Vasco da Gama's voyage round the Cape of Good Hope in 1498 or alternatively the establishment of the Mughal empire 1526 More definitely though the renewed Islamic advance into north India roughly from 1000 A D onwards leading to the rise of the Delhi Sultanate 1206 can be held to mark in political and cultural terms the beginning of the medieval period For the purpose of the Historical Dictionary of Medieval India the period from 1000 A D to 1526 A D will be considered India's medieval times

The turbulent history of this period is told through the book's chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on key people historical geography arts institutions events and other important terms
