Murder Done to Death John Kennedy Melling, 1996-04-02 An art form comes of age when it is imitated then parodied
and finally repeated in pastiche Crime and detective fiction is now so well established in different formats that it lends itself
easily to these literary forms After a brief history of the genre is an analysis of a large number of parody books and short
stories with details of correspondence and interviews the writer has had with masters of the craft like Georges Simenon and
Margaret Millar The next section covers those books written by teams of six or more crime writers The pastiche section deals
with a number of books and short stories in depth crime stories for younger readers and the exploits of literary detectives
and criminals Do It Yourself Sleuthing covers dossiers games and books of solvable short crime stories This leads naturally to
all forms of parody and pastiche in films theater television and radio including stage and film musicals *National Union*

France, 1995 The New Oxford Companion to Literature in French is far more than a simple revision of the original Oxford
Companion to French Literature published in 1959 and described by The Listener as the standard work of reference for
English speaking enquirers into French literature As the change in title implies this completely new work presents an
authoritative guide not only to ten centuries of literature produced in the territory now called France but also to the rich
literary output of other French speaking countries around the world The scope of the Companion is deliberately open and
inclusive challenging and extending the traditional canon Literature is understood in a broad sense ranging from strip
cartoon and pamphlet to tragedy and epic and particular attention is devoted to francophone writing from outside France
Written by an international team of specialists entries cover individual authors and works over 3 000 of them from the
troubadours to Césaire and from La Princesse de Clèves to La Vie mode d'emploi Each is discussed in detail within their
historical cultural and intellectual context Among the new features of the Companion are the substantial essay entries
reflecting up to date scholarship and theoretical debates on topics such as literary movements and genres historical subjects
such as chivalry or Occupation and Resistance in wartime France movements of thought from Scholasticism to feminism
linguistic topics the sciences the arts and media including opera cinema and press As a divertissement for readers an entry
on Quotations lists 100 well known quotations from the canon of French literature Adventurous and wide ranging The New
