Never To Die:

Born to Never Die Andrew Oghena PhD,2024-06-10 The objective of this book is to provide details based on the Bible truth of how born to never die is a reality This is why Jesus came into the world to redeem human being those that believe in Him for eternal life As Jesus told Pilate during His passion recorded in John 18 37 For this I was born and for this I came into the world so that I may offer testimony to the truth Everyone who is of the truth hears my voice The truth of once born never die must be seen with a mind of faith just like how the Blessed Virgin Mary pondered the message she heard and saw the truth that her only son Jesus Christ would save humanity from their sins so that those saved would have everlasting life You see God created humans so that we could live eternally and share His love forever Eternal life with God is a free gift from God to all humans and each human must decide to either accept or reject the free gift Accepting the free gift of eternal life from God is to believe in Jesus Christ obey His commands and follow Him This book contains details of what to do in order to never die such as repent from sins sin no more follow the way of God etc so that you can die with Christ at the end of your present life and rise with Him to next life because Christ rose from the dead and He lives forever Everyone is born to live forever so don t miss the opportunity

Legends Never Die Richard Ian Kimball, 2017-04-28 With every touchdown home run and three pointer star athletes represent an American dream that only an elite group blessed with natural talent can achieve However Kimball concentrates on what happens once these modern warriors meet their untimely demise As athletes die legends rise in their place The premature deaths of celebrated players not only capture and immortalize their physical superiority but also jolt their fans with an unanticipated intensity These athletes escape the inevitability of aging and decline of skill with only the prime of their youth left to be remembered But early mortality alone does not transform athletes into immortals The living ultimately gain the power to construct the legacies of their fallen heroes In Legends Never Die Kimball explores the public myths and representations that surround a wide range of athletes from Lou Gehrig and Joe DiMaggio to Dale Earnhardt and Bonnie McCarroll Kimball delves deeper than just the cultural significance of sports and its players he examines how each athlete's narrative is shaped by gender relations religion and politics in contemporary America In looking at how Americans react to the tragic deaths of sports heroes Kimball illuminates the important role sports play in US society and helps to explain why star athletes possess such cultural power
