Step 3: Outline the Plot

Step 4: Write the Beginning

Step 5: Introduce Conflict

Step 6: Build Tension

Step 7: Provide Resolution

Step 8: Edit and Publish

One Shot How Did I Begin

Ray Morton

One Shot How Did I Begin:

One Shot Hitchcock Luke Robinson, Melanie Robson, 2024 In recent years the enduring appeal of Alfred Hitchcock to film studies has been evidenced by the proliferation of innovative approaches to the director's work Adding to this pattern of innovation the edited collection *One Shot Hitchcock A Contemporary Approach to the Screen* utilizes formal analysis to interrogate key single shots from across Alfred Hitchcock's long career This collection reveals the value of analyzing the single shot within this small cinematic unit is a code that unlocks a series of revelations about cinema as an artistic practice and a theoretical study Each chapter examines one shot from a single film beginning with *The Lodger* 1927 and ending with *Frenzy* 1972 If Hitchcock is known as a director of suspense films and films about murder the shots discussed in *One Shot Hitchcock* are his crime scenes These are the shots that resist being forgotten that repeatedly demand to be investigated in which Hitchcock's influence on aesthetics and culture is at its most acute Each chapter uses a different lens of film analysis transnationalism gender and sexuality performance history affect intermediality remake studies philosophy and film form are all used to interrogate single shots In these essays the single shot from Hitchcock's film not only illustrates the approach in question but also demonstrates how the single shot encourages us to rethink our approaches to the screen By reinvestigating a close formal mode of analysis *One Shot Hitchcock* asks readers to think differently about film offering a renewed assessment of Hitchcock's oeuvre in the process

Film William H. Phillips, 2009-01-02 This clear well illustrated text takes the reader through the basics of film analysis drawing on a wide range of film for discussion Questions of genre and the contexts and meanings of film are considered
