Only Curse The

Thomas Southerne

Only Curse The:

The maid's last prayer: or, Any, rather than fail. The fatal marriage: or, The innocent adultery. Oroonoko. The fate of Capua. [Taken from general t-p; some variations on special t-ps, e.g. Sir Antony Love Thomas Southerne, 1713 Plays, 1770

The Broadview Anthology of Restoration and Early Eighteenth Century Drama: Concise Edition J. Douglas Canfield, Maja-Lisa von Sneidern, 2003-04-17 The Broadview Anthology of Restoration and Early Eighteenth Century Drama Concise Edition with twenty one plays is half the length of the full anthology without compromising its breadth Concentrating on plays from the heyday of 1660 1737 it focuses on Restoration drama proper and Revolution drama with a selection from the early Georgian period and the later Georgian period s laughing comedy Seven of the nine sub genres personal tragedy tragicomic romance social comedy subversive comedy corrective satire menippean satire and laughing comedy of the full anthology are represented with the preponderance of exposure given to the jewel of this theatre its comedy Each play is fully annotated and prefaced with an historical introduction Also included are a general introduction a statement of procedures and a glossary Oroonoko Susan B. Iwanisziw, 2017-11-30 With the aim of examining the postcolonial applications of Aphra Behn s re entry into the literary canon the editor presents this edition as a collection representing the nexus of very specific articulations of literary cultural and political tropes produced by various writers and adapters from 1695 through 1999 The volume begins with a general introduction It then presents seven 18th century versions of the play and one poem ending with Biyi Bandele s late 20th century drama All texts are supplemented by original paratextual commentary if that is known and prefaced by a brief editorial commentary setting out pertinent biographical bibliographical theatrical and historical context not covered in the general introduction The tradition of stage adaptations of Oroonoko most of them keyed to Southerne s drama rather than to Behn s initial novella clearly shows the responsiveness of this series to studies of authorship gender genre and theatricality class race and especially the British response to the Atlantic slave trade and thus to the enduring relevance of these plays in modern literary and historical scholarship **The British drama, a collection of dramatic productions, with biography of the respective authors; and critique on each play, by R. Cumberland** Richard Cumberland, 1817 **Oroonoko** Thomas Southerne, 1739 **The Broadview Anthology of Restoration and Early Eighteenth-Century Drama** J. Douglas Canfield, Maja-Lisa von Sneidern, 2001-05-31 This is the first new full scale anthology of Restoration and eighteenth century drama in over sixty years Concentrating on plays from the heyday of 1660 1737 it focuses especially on Restoration drama proper 1660 1688 and Revolution drama 1689 1714 with a smaller selection of plays from the early Georgian period 1715 1737 and a glimpse at the later Georgian period s laughing comedy 1770s and 80s It includes nine sub genres heroic romance political tragedy personal tragedy tragicomic romance social comedy subversive comedy corrective satire menippean satire and laughing comedy with the preponderance of exposure given to the jewel of this theatre its comedy The core canonical plays from the era from Dryden s All for Love and Behn s The Rover to

Congreve's *The Way of the World* and Sheridan's *School for Scandal* are all here but so are a remarkably wide range of non canonical works There are many more plays by women than in any previous general anthology of drama of the period Also included are a number of works from the neglected 1660s whose comedies feature delightful subversive levelling folk elements In all there are forty one plays each is fully annotated and prefaced with an historical introduction Also included are a general introduction head notes for each genre and a glossary

Only with God Dione Campbell, 2012-08-24 This is the story of the ups and downs of the cancer journey taken by a father of six and his family He is a wonderful Christian man who faces his journey with faith courage and strength encouraging all around him It is a tough journey with disappointments and struggles as well as victories and joys It shows how the Lord is always with us even through the hardest of times Billy and his wife Dione must travel to another state five hours away from their family to seek treatment for his uncommon form of cancer The journey continues as treatments work for a while fail and new treatment is sought

Cursed Are You! Anne Marie Kitz, 2014-01-20 This is a book about curses It is not about curses as insults or offensive language but curses as petitions to the divine world to render judgment and execute harm on identified hostile forces In the ancient world curses functioned in a way markedly different from our own and it is into the world of the ancient Near East that we must go in order to appreciate the scope of their influence For the ancient Near Easterners curses had authentic meaning Curses were part of their life and religion They were not inherently magic or features of superstitions nor were they mere curiosities or trifling antidotes They were real and effective They were employed proactively and reactively to manage life's many vicissitudes and maintain social harmony They were principally protective but they were also the cause of misfortune illness depression and anything else that undermined a comfortable well balanced life Every member of society used them from slave to king from young to old from men and women to the deities themselves They crossed cultural lines and required little or no explanation for curses were the source of great evil In other words curses were universal Because curses were woven into the very fabric of every known ancient Near Eastern society they emerge frequently and in a wide variety of venues They appear on public and private display objects on tomb stelae tomb lintels and sarcophagi on ancient kudurrus and nars They are used in political administrative social religious and familial contexts They are the subject of incantations They are tools that exorcise demons and dispel disease they ban protect and heal This is the phenomenology of cursing in the ancient Near East and this is what the present work explores

The Christian Triumph ... The Second Edition Henry Sacheverell, 1713

Revelation Through Old Testament Eyes Tremper Longman III, 2022-05-10 *Through Old Testament Eyes* is a new kind of commentary series that illuminates the Old Testament backgrounds allusions patterns and references saturating the New Testament This knowledge was second nature to the New Testament authors and their audiences but often isn't the case for today's readers Bible teachers preachers and students committed to understanding Scripture will gain insight through these rich Old Testament connections which clarify puzzling passages and explain others in fresh ways In *Revelation Through Old Testament Eyes*

Tremper Longman demonstrates that the confusion associated with the images throughout Revelation arises from unfamiliarity with symbolism that Revelation's first readers would have readily comprehended. Avoiding overly technical discussions and interpretive debates to concentrate on Old Testament influences, *Revelation Through Old Testament Eyes* combines rigorous, focused New Testament scholarship with deep respect for the entire biblical text. As an Old Testament scholar, I learned much from this excellent contribution by a seasoned and thoughtful colleague. As a Christian, my new understanding led to worship. This is a volume that pastors, scholars, and laypeople will find a valuable companion to reading and studying the canon's final book. Lissa M. Wray Beal, Providence Theological Seminary. There is no more sure-footed guide to this mysterious book than a premier Old Testament scholar like Tremper Longman. This exceptionally clear and cogent commentary will open your eyes to this capstone volume of the New Testament like never before. Mark L. Strauss, Bethel Seminary. In short, to really get into a place where one can understand John's Scripture-saturated mind, which involves many more allusions and echoes than Old Testament quotes, you need a guide who himself has a Scripture-saturated mind. Tremper Longman is your man for he has labored long in the scriptural vineyard and always provides us with the good fruit of careful interpretation. Ben Witherington III, Asbury Theological Seminary.
