domestic elements that have shaped the interactions between Russia and China over time It demonstrates how changes in the inter state relationship were and are initiated Controversial issues are examined through previously unobtainable materials from sources including the Archives of Foreign Policy of the Russian Empire the Archives of Foreign Policy of the Russian Federation and the Russian Centre for the Preservation and Research of the Documents of Modern History **The Rise and Fall of the Soviet Economy** Philip Hanson,2014-09-11 Why did the Soviet economic system fall apart Did the economy simply overreach itself through military spending Was it the centrally planned character of Soviet socialism that was at fault Or did a potentially viable mechanism come apart in Gorbachev s clumsy hands Does its failure mean that true socialism is never economically viable The economic dimension is at the very heart of the Russian story in the twentieth century Economic issues were the cornerstone of soviet ideology and the soviet system and economic issues brought the whole system crashing down in 1989 91 This book is a record of what happened and it is also an analysis of the failure of Soviet economics as a concept The Cold War J.P.D. Dunbabin,2014-01-14 The Cold War offers a brief but detailed treatment of one of the most complex eras of the 20th Century In this fully revised second edition J P D Dunbabin drawing on international scholarship and using much new material from communist sources describes a world in which covert operations could be as important as outright diplomacy soft power as influential as hard and in which competing ideologies ruled the hearts as much as the heads of the leaders in power Dunbabin s account is global in scope taking into account the importance of players beyond the superpowers and shedding light on the proxy conflicts such as those in Africa and the Middle East that if not caused by the continuing stalemate between the great powers were used as weapons within it
