Pioneers of the Pacific Coast (Classic Reprint) Agnes C. Laut, 2018-03-20 Excerpt from Pioneers of the Pacific Coast Perhaps the English adventurers evinced too great interest in that precious cargo for though the Spanish governor had granted them permission to repair their ships the English had barely dismantled when Spanish fire ships came drifting down on their moorings A cannon shot knocked a mug of beer from Hawkins s hand and head over heels he fell into the sea while a thousand Spaniards began sabring the English crew ashore Some friendly hand threw out a rope to Hawkins who was clad in complete armour In the dark unseen by the enemy he pulled himself up the side of a smaller ship and cutting hawsers scudded for the open sea There escaped also of Hawkins s eet another small ship which was commanded by Francis Drake and after much suffering both vessels reached England One can imagine the effect on young Drake of the treacherous act and of the glimpse of that cargo of gold and silver treasure The English captains had but asked a night s lodging from a power supposed to be friendly About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
