Pacific Destiny An Informal History Of T:

Pacific Destiny; an Informal History of the U.S. in the Far East Richard O'Connor, 1969 Surveys American involvement in Asia over the past two hundred years through the stories of those who participated in these empire activities Sir William Rooke Creswell and the Foundation of the Australian Navy Sheila Dwyer, 2014-03-26 The six Australian colonies united on 1st January 1901 to become the Commonwealth of Australia One of the reasons given for this federation was that the Commonwealth could provide a common defence William Rooke Creswell argued that as an island continent Australia could not defend itself without a navy He saw no point in having a 70 000 strong army if only one enemy battleship could destroy port cities and disrupt maritime trade and sea communications Creswell was not alone in his campaign to establish a navy for Australia but he was the one constant advocate throughout the years from his first proposals on a navy for Australia in 1886 to when the first ships of the Australian Fleet sailed into Sydney Harbour in October 1913 **Homer Lea** Lawrence M. Kaplan, 2010-10-01 The unlikely story of Lea s attempts to train a cadre of soldiers in American Chinatowns who would return to their homeland to make it a modern world power Pacific Historical Review As a five feet three inch hunchback who weighed about 100 pounds Homer Lea 1876 1912 was an unlikely candidate for life on the battlefield yet he became a world renowned military hero Homer Lea American Soldier of Fortune paints a revealing portrait of a diminutive yet determined man who never earned his valor on the field of battle but left an indelible mark on his times Lawrence M Kaplan draws from extensive research to illuminate the life of a man of mystery while also yielding a clearer understanding of the early twentieth century Chinese underground reform and revolutionary movements Lea s career began in the inner circles of a powerful Chinese movement in San Francisco that led him to a generalship during the Boxer Rebellion Fixated with commanding his own Chinese army Lea s inflated aspirations were almost always dashed by reality Although he never achieved the leadership role for which he strived he became a trusted advisor to revolutionary leader Dr Sun Yat sen during the 1911 revolution that overthrew the Manchu Dynasty As an author Lea garnered fame for two books on geopolitics The Valor of Ignorance which examined weaknesses in the American defenses and included dire warnings of an impending Japanese American war and The Day of the Saxon which predicted the decline of the British Empire More than a character study this biography provides insight into the establishment and execution of underground reform and revolutionary movements within US immigrant communities and in southern China as well as early twentieth century geopolitical thought Acts of Rebellion Ward Churchill, 2003-12-16 What could be more American than Columbus Day Or the Washington Redskins For Native Americans they are bitter reminders that they live in a world where their identity is still fodder for white society The law has always been used as toilet paper by the status quo where American Indians are concerned writes Ward Churchill in Acts of Rebellion a collection of his most important writings from the past twenty years Vocal and incisive Churchill stands at the forefront of American Indian concerns from land issues to the American Indian Movement from government repression to the history of

genocide Churchill one of the most respected writers on Native American issues lends a strong and radical voice to the American Indian cause Acts of Rebellion shows how the most basic civil rights laws put into place to aid all Americans failed miserably and continue to fail when put into practice for our indigenous brothers and sisters Seeking to convey what has been done to Native North America Churchill skillfully dissects Native Americans struggles for property and freedom their resistance and repression cultural issues and radical Indian ideologies

The China Incident G. William Whitehurst, 2021-01-06 In 1937 Japan blundered into a debilitating war with China beginning with a minor incident near Peking now Beijing that quickly escalated The Japanese won significant battles and captured the capital Nanking after a horrific massacre of its citizens Chiang Kai shek China s acknowledged leader would not surrender each side believed it could win a war of attrition The U S sided with China primarily because of President Roosevelt s personal bias in their favor Drawing on a wealth of sources including interviews with key players from soldiers to diplomats this history traces America s unexpected and unpopular involvement in an Asian conflict and the growing recognition of Japan s threat to world peace and the inevitability of war
