Pacific War Encyclopedia:

The Pacific War Encyclopedia James F. Dunnigan, Albert A. Nofi, 1998 Covers the battles and campaigns leaders major military units and weaponry of World War II in the Pacific and examines the political social and economic factors that affected the war's progress and outcome World War II in the Pacific Stanley Sandler, 2003-12-16 Stanley Sandler one of America's most respected and best known military historians has brought together over 300 entries by some 200 specialists in the field to create the first encyclopedia specifically devoted to the Pacific Theatre of World War II Extending far beyond battles and hardware the coverage ranges from high policy making grand strategy and the significant persons and battles of the conflict to the organization of the Allied and Japanese divisions aircraft armor artillery psychological warfare warships and the home fronts covering the interactions of each topic along the way The Pacific War Encyclopedia: M-Z James F. Dunnigan, Albert A. Nofi, 1998-01-01 This two volume set covers all sides of WWII's Pacific theater from many perspectives including insights from Japanese military figures and civilians African American soldiers and women involved in or affected by the war Entries offer information on people places battles and campaigns major ground units weapons logistics and political and strategic policy Includes b/w photos and illustrations and a day by day chronology of the war in the Pacific

The Pacific War Encyclopedia James F. Dunnigan, Albert A. Nofi, 1998-04-01 During World War II the greatest naval campaign in mil history the battle in the Pacific was waged This comprehensive one volume resource covers all aspects of the conflict from multiple perspectives complete coverage of battles significant topics rarely covered in works on the Pacific War such as how the gov't policies internal politics production capabilities eyewitness accounts from participants Also includes never before revealed insights from Japanese military figures civilians African American soldiers women involved in or affected by the war B/W photos **The Encyclopedia of Indonesia in the Pacific War**, 2009-12-14 An obvious hiatus amidst the abundance of Pacific War studies is the story of Indonesia during that period The Encyclopedia of Indonesia in the Pacific War edited under the aegis of the Netherlands Institute for War Documentation now fills that gap This state of the art work reflects the different experiences and historiographic traditions of Indonesians Japanese and Dutch The aim is to present the developments in the Indonesian archipelago in as much a rational and dispassionate way as possible taking into account regional and social variations and interpreting them within the international context of pre and post war trends With due acknowledgement of different perspectives ambiguities unresolved issues and conflicting views it sets out to enhance mutual understanding and academic dialogue *American Military History* Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes

journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums

Historical Dictionary of World War II Anne Sharp Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan s seizure of Manchuria from China in 1931 and covers Japan s ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan s cities and the end of the Allied occupation of Japan in 1952 Although Japan renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas Historical Dictionary of World War II The War Against Japan Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II Heritage and Memory of War Gilly Carr, Keir Reeves, 2015-04-17 Every large nation in the world was directly or indirectly affected by the impact of war during the course of the twentieth century and while the historical narratives of war of these nations are well known far less is understood about how small islands coped These islands often not nations in their own right but small outposts of other kingdoms countries and nations have been relegated to mere footnotes in history and heritage studies as interesting case studies or unimportant curiosities Yet for many of these small islands war had an enduring impact on their history memory intangible heritage and future cultural practices leaving a legacy that demanded some form of local response This is the first comprehensive volume dedicated to what the memories legacies and heritage of war in small islands can teach those who live outside them through closely related historical and contemporary case studies covering 20th and 21st century conflict across the globe The volume investigates a number of important questions Why and how is war memory so enduring in small islands Do factors such as population size island size isolation or geography have any impact Do close ties of kinship and group identity enable collective memories to shape identity and its resulting war related heritage This book contributes to heritage and memory studies and to conflict and historical archaeology by providing a globally wide ranging comparative assessment of small islands and their experiences of war Heritage of War in Small Island Territories is of relevance to students

researchers heritage and tourism professionals local governments and NGOs *War Crimes in Japan-Occupied Indonesia* J. Kevin Baird, Sangkot Marzuki, 2015-05-15 Shortly after Pearl Harbor the Japanese Imperial Army invaded the Dutch East Indies now known as Indonesia A deceitful campaign promoting Asian brotherhood recruited and coerced young Indonesian men to support the Japanese occupation with the sinister outcome that several million of them were worked to death or summarily killed as expendable slave laborers or romusha as they were called While many romusha disappeared from the record nine hundred were known victims of a brutal and immoral medical experiment perpetuated by an increasingly desperate Imperial Japan In anticipation of a land assault the Japanese needed a means to protect their troops from tetanus and they used these nine hundred men as human guinea pigs to test an insufficiently vetted vaccine Within days all nine hundred suffered the protracted agonizing death of acute tetanus With the Allied forces poised for victory the Japanese needed a scapegoat for this well documented incident if they were to avoid war crimes prosecution They brutally tortured Achmad Mochtar a native Indonesian and renowned scientist along with his colleagues at the Eijkman Institute in Batavia now Jakarta until Mochtar signed a confession to the murders in exchange for the liberty of his fellow scientists The Japanese beheaded Mochtar weeks before the war ended War Crimes in Japan Occupied Indonesia unravels the deceit of the Japanese Army the reasons for the mass murder of the romusha and Mochtar s heroic role in these tragic events The end result finds justice for Mochtar and reveals the true extent of one of the least recognized war crimes of World War II Historical Dictionary of Japan to 1945 Kenneth Henshall, 2013-11-07 The Historical Dictionary of Japan to 1945 spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War It includes substantial topics such as cultural and literary history with entries ranging from aesthetics to various genres of writing Other branches of history also feature such as economic history industrial history political history and so forth And of course there are the makers of Japanese history ranging from emperors and shoguns to politicians and extremists as well as foreign arrivals The early history of Japan is told through a detailed chronology an introductory essay appendixes an extensive bibliography and over 800 cross referenced dictionary entries on important people organizations activities and events The Historical Dictionary of Japan to 1945 will appeal to both academics and the general public who have an interest in Japan particularly those who want reliable information quickly and easily *The Complete Idiot's Guide to the U.S. Special Ops Forces* Marc Cerasini, 2002 A guide to the face of modern US warfare in the 21st century The US Special Operations Forces will be at the forefront of every battle that the US will wage against the war on terrorism **U.S. Navy Auxiliary Vessels** Ken W. Sayers, 2019-06-06 For more than a century the U S Navy s battleships cruisers destroyers submarines and amphibious warfare vessels have depended on a small group of specialized auxiliary ships to provide fuel food ammunition parts and other material support and services Without these workhorse vessels the U S Fleet could not have won in World War II and it could not today deploy and remain on station in the far distant waters of the world This book provides the rosters histories

specifications and illustrations of 130 different auxiliary ship types in the last 100 years including the little known ones the latest expeditionary fast transports and future towing salvage and rescue ships *Britannica Student Encyclopedia* Encyclopaedia Britannica, Inc, 2014-05-01 Entertaining and informative the newly updated Britannica Student Encyclopedia helps children gain a better understanding of their world Updated for 2015 more than 2 250 captivating articles cover everything from Barack Obama to video games Children are sure to immerse themselves in 2 700 photos charts and tables that help explain concepts and subjects as well as 1 200 maps and flags from across the globe Britannica Student is curriculum correlated and a recent winner of the 2008 Teachers Choice Award and 2010 AEP Distinguished achievement award Chronology of Wars John S. Bowman, 2009 Presents a chronology of major wars in U S history discussing why and how each war began key battles and the results of the war The YWCA in China Elizabeth A. Littell-Lamb, 2023-11-15 The YWCA arrived in China as a cultural interloper in 1899 How did activist Christian Chinese women maintain their identity and social relevance through the tumultuous first half of the twentieth century The YWCA in China explores how the Young Women s Christian Association responded to the needs of Chinese women and society both before and after the 1949 revolution ushered in a communist state Western secretaries originally defined the Chinese YWCA movement but successive generations of Chinese leadership localized its Western defined organizational ethos Over time the Y became class conscious and progressive as Chinese women transformed it from a vehicle for moral and material uplift to an instrument for social action and an organizational citizen of China And after 1949 national YWCA leaders supported the Maoist regime because they believed the social goals of the YWCA aligned with Mao s revolutionary aims The YWCA in China is a fascinating investigation of the lives thinking and action of women whose varied forms of Christian and Chinese identity were buffeted by historical events that moulded their social philosophies *Atomic Salvation* Tom Lewis, 2020-07-20 A thought provoking analysis of the bombing of Hiroshima and Nagasaki and what might have happened if conventional weapons were used instead It has always been a difficult concept to stomach that the atomic bombs dropped on Hiroshima and Nagasaki in 1945 causing such horrific suffering and destruction also brought about peace Attitudes toward the event have changed through the years from grateful relief that World War II was ended to widespread condemnation of the United States Atomic Salvation investigates the full situation examining documents from both Japanese and Allied sources but also using in depth analysis to extend beyond the mere recounting of statistics It charts the full extent of the possible casualties on both sides had a conventional assault akin to D Day gone ahead against Japan The work is not concerned solely with the military necessity to use the bombs it also investigates why that necessity has been increasingly challenged over the successive decades Controversially the book demonstrates that Japan would have suffered far greater casualties likely around 28 million if the nation had been attacked in the manner by which Germany was defeated by amphibious assault artillery and air attacks preceding infantry insertion and finally by subduing the last of the defenders of the enemy capital It also investigates the

enormous political pressure placed on America as a result of their military situation The Truman administration had little choice but to use the new weapon given the more than a million deaths that Allied forces would undoubtedly have suffered through conventional assault By charting reaction to the bombings over time Atomic Salvation shows that there has been relentless pressure on the world to condemn what at the time was seen as the best and only military solution to end the conflict Never has such an exhaustive analysis been made of the necessity behind bringing World War II to a halt *Tin Cans and Greyhounds* Clint Johnson, 2019-02-12 For men on destroyer class warships during World War I and World War II battles were waged against overwhelming odds from which survival could not be expected Those were the words Lieutenant Commander Robert Copeland calmly told his crew as their tiny unarmored destroyer escort rushed toward giant armored Japanese battleships at the Battle off Samar on October 25 1944 This action packed narrative history of destroyer class ships brings readers inside the half inch thick hulls to meet the men who fired the ships guns torpedoes hedgehogs and depth charges Nicknamed tin cans or greyhounds destroyers were fast escort and attack ships that proved indispensable to America's military victories Beginning with destroyers first incarnation as torpedo boats in 1874 and ending with World War II author Clint Johnson shares the riveting stories of the Destroyer Men who fought from inside a tin can risking death by cannons bombs torpedoes fire and drowning The British invented destroyers the Japanese improved them and the Germans failed miserably with them It was the Americans who perfected destroyers as the best fighting ship in two world wars *Tin Cans Greyhounds* compares the designs of these countries with focus on the old modified World War I destroyers and the new and numerous World War II destroyers of the United States *Tin Cans Greyhounds* details how destroyers fought submarines escorted convoys rescued sailors and airmen downed aircraft shelled beaches and attacked armored battleships and cruisers with nothing more than a half inch of steel separating their crews from the dark waves *VIETNAM: RIGHT? or WRONG?* J. Randolph Maney Jr, 2023-03-10 Edward R Morrow once said Anyone who isn't confused about Vietnam really doesn't understand the situation For many this quote is as true in 2023 on the 50th Anniversary of the war's end as it was when the war ended therefore it now seems timely to take another look at all this confusion The situation in Vietnam was to be sure confusing to many who wanted to know from the very beginning why the United States became involved in those foreign rice paddies some 7 000 miles away and it was equally confusing at the end to many who wanted to know why the United States after it lost so much blood and treasure abandoned its ally to communism in 1975 In an attempt to address these and other questions this account begins years before America became involved in Vietnam and ends years after it left The Vietnam War proved to be a watershed moment in American history and I have picked this anniversary year to look back in time through a geopolitical lens to try and better understand that era And a better understanding of that moment in time might also prove helpful to understanding current events because past could well become prologue when it comes to completing unfinished business in Afghanistan and when it comes to ending the war in Ukraine **Lethality in Combat**

Doctor Tom Lewis, 2012-02-01 *Lethality in Combat* shines a blazing light on the three most controversial aspects of military combat: the necessity of killing, the taking or not of prisoners, and the targeting of civilians. This book argues that when a nation-state sends its soldiers to fight, the state must accept the full implications of this uncomfortable as they may be. Drawing on seven conflicts: the Boer War, World Wars I and II, and the wars in Korea, Vietnam, the Falklands, and Iraq, the author considers these ethical issues.

Submarine Design and Construction Fundamentals Richard Skiba, 2024-10-17 This book offers a guide to submarine design and construction, appealing to a diverse audience of professionals and enthusiasts alike. It covers essential principles and advanced technologies that shape modern submarine engineering, making it a valuable resource for emerging naval architects and marine engineers. The book dives deep into key elements like hull construction, propulsion systems, and the integration of advanced materials, ensuring a detailed understanding of the design process. For prospective military personnel and defence analysts, the book sheds light on the strategic importance of submarine design in naval operations, emphasizing stealth, endurance, and payload capabilities. Submarine technicians will also benefit from its technical explanations, which focus on operational systems enabling more efficient maintenance and repairs. Students and academics in naval engineering and defence studies will find the book useful for both foundational learning and advanced research. It provides comprehensive coverage of engineering practices and historical innovations in submarine design, making it an ideal reference for coursework or academic study. Defence contractors and policy makers can leverage the book's insights into the technical complexities of submarine construction, aiding in effective project management and procurement decisions. Furthermore, the book explores the environmental impact of submarines, offering a perspective useful for marine conservationists and environmental scientists interested in sustainable naval operations. This book serves as a holistic resource for anyone seeking a deeper understanding of the complexities and innovations shaping submarine technology today. Comprising over 700 references and 120 images/diagrams.

This is likewise one of the factors by obtaining the soft documents of this **Pacific War Encyclopedia** by online. You might not require more become old to spend to go to the book opening as capably as search for them. In some cases, you likewise reach not discover the statement Pacific War Encyclopedia that you are looking for. It will totally squander the time.

However below, in the manner of you visit this web page, it will be fittingly completely simple to get as with ease as download lead Pacific War Encyclopedia

It will not take on many era as we tell before. You can realize it even if be active something else at house and even in your workplace. so easy! So, are you question? Just exercise just what we have the funds for under as with ease as evaluation **Pacific War Encyclopedia** what you subsequent to to read!
