Pacific Beat Christopher Buckley, 1982 Two things you never do Kill a cop s wife or kill a cop s sister Someone s done both and Newport Beach is about to explode Pacific Beat T. Jefferson Parker, 2009-03-03 Life in Newport Beach California is more nightmare than paradise when ex cop Jim Weir s pregnant sister is brutally murdered Life becomes unbearable when Weir is asked to investigate his former department Political corruption and small town connections make this task even more onerous **University of the Pacific** Nicole Grady Mountjoy , 2021-08-16 Located in the Central Valley in the city of Stockton California the University of the Pacific has thrived Founded in Santa Clara in 1851 the university moved to College Park in 1871 and then Stockton in 1924 and it now has campuses in Sacramento and San Francisco Using historical photographs housed in the university archives Mountjoy has compiled a chronological timeline of the university from its founding in 1851 to the present Back cover *The China Alternative* Graeme Smith, Terence Wesley-Smith, 2021-03-01 In this collection 17 leading scholars based in Solomon Islands Fiji Papua New Guinea Timor Leste Australia New Zealand the United States and China analyse key dimensions of the changing relationship between China and the Pacific Islands and explore the strategic economic and diplomatic implications for regional actors The China Alternative includes chapters on growing great power competition in the region as well as the response to China s rise by the US and its Western allies and the island countries themselves Other chapters examine key dimensions of China s Pacific engagement including Beijing s programs of aid and diplomacy as well as the massive investments of the Belt and Road Initiative The impact of China s rivalry for recognition with Taiwan is examined and several chapters analyse Chinese communities in the Pacific and their relationships with local societies The China Alternative provides ample material for informed judgements about the ability of island leaders to maintain their agency in the changing regional order as well as other issues of significance to the peoples of the region China s discovery of the diverse Pacific islands intriguingly resonant of the era of European explorers is impacting on this too long overlooked region through multiple currents that this important book guides us through Rowan Callick Griffith University The China Alternative is a must read for all students and practitioners interested in understanding the new geopolitics of the Pacific It assembles a stellar cast of Pacific scholars to deeply explore the impact of the changing role of China on the Pacific islands region Significantly it also puts the Pacific island states at the centre of this analysis by questioning the collective agency they might have in this rapidly evolving strategic context Greg Fry The Australian National University **The State of Pacific Towns and Cities** Asian Development Bank, 2012-10-01 This report investigates urbanization trends across the 14 Pacific developing member countries of the Asian Development Bank It examines the history of Pacific urbanization current state of infrastructure and service provision within urban areas and systems of urban governance It presents key actions that Pacific countries need to take to manage urban growth to meet the needs of their urban citizens and to benefit from the potential of the urban economy **Globalisation and Governance in the Pacific**

**Islands** Stewart Firth, 2006-12-01 The Pacific Islands are feeling the effects of globalisation Free trade in sugar and garments is threatening two of Fiji's key industries At the same time other opportunities are emerging Labour migration is growing in importance and Pacific governments are calling for more access to Australia's labour market Fiji has joined Samoa Tonga Tuvalu and Kiribati as a remittance economy with thousands of its citizens working overseas Meantime Papua New Guinea and Solomon Islands grapple with an older kind of globalisation in which overseas companies exploit mineral and forest resources The Pacific Islands confront unique problems of governance in this era of globalisation The modern democratic state often fits awkwardly with traditional ways of doing politics in that part of the world Just as often politicians in the Pacific exploit tradition or invent it to serve modern political purposes The contributors to this volume examine Pacific globalisation and governance from a wide range of perspectives They come from Papua New Guinea Solomon Islands Hawaii the Federated States of Micronesia Samoa Fiji New Zealand and Jamaica as well as Australia Publisher's description

**New Guide to the Pacific Coast** Charles A. Higgins, 1895      **Gender Violence & Human Rights** Aletta Biersack, Margaret Jolly, Martha Macintyre, 2016-12-14 The postcolonial states of Fiji Papua New Guinea and Vanuatu operate today in a global arena in which human rights are widely accepted As ratifiers of UN treaties such as the Convention on the Elimination of All Forms of Discrimination against Women and the Convention on the Rights of the Child these Pacific Island countries have committed to promoting women s and girls rights including the right to a life free of violence Yet local national and regional gender values are not always consistent with the principles of gender equality and women s rights that undergird these globalising conventions This volume critically interrogates the relation between gender violence and human rights as these three countries and their communities and citizens engage with appropriate modify and at times resist human rights principles and their implications for gender violence Grounded in extensive anthropological historical and legal research the volume should prove a crucial resource for the many scholars policymakers and activists who are concerned about the urgent and ubiquitous problem of gender violence in the western Pacific This is an important and timely collection that is central to the major and contentious issues in the contemporary Pacific of gender violence and human rights It builds upon existing literature but the contributors to this volume interrogate the connection between these two areas deeply and more critically This book should and must reach a broad audience Jacqui Leckie Associate Professor Anthropology and Archaeology University of Otago The volume addresses the tensions between human and cultural individual and collective rights as played out in the domain of gender Gender is a perfect lens for exploring these tensions because cultural rights are often claimed in defence of gender oppression and because women often have imposed upon them the burden of representing cultural traditions in attire comportment restraint or putatively cultural conservatism And Melanesia is a perfect place to consider these gendered issues because of the long history of ethnocentric representations of the region because of the extent to which these are played out between states and local cultures and because of the efforts of the vibrant women s movements in the region to develop locally workable responses to the problems of gender violence in these communities Christine Dureau Senior Lecturer Anthropology University of Auckland
