Witnesses to a Great Miracle A. M. Deigloriam, 2017-09-13 It was God's love for His creation that allowed Moses Elijah James Peter and John to unfold God's plan for all mankind These saints were sanctified and chosen to be witnesses to the transfiguration and deity of God's only Son Jesus Christ These witnesses were recognized and honored by God for their obedience and faithfulness All of mankind has been richly blessed by these men of God as they became servants of God in accomplishing many great miracles These specific saints were allowed to see Jesus in all His glory as He was transformed from His earthly body to the holy splendor of His heavenly body This experience was terrifying for the apostles and was seared into their very being From that day forward God would use the apostles James Peter and John in unfolding God's love and plan for all of mankind First Kings 19:12 reads And after the earthquake a fire but the Lord was not in the fire and after the fire a still small voice God spoke to Elijah and to the souls of men in a still small voice of love grace and mercy

Bloodline for the Messiah A. M. Deigloriam, 2019-09-19 This book provides a detailed analysis of the Messiah's bloodline that reveals many important concepts related to the human condition of mankind The analysis expands our understanding of the scope of God's love for all of mankind The bloodline includes God's patriarchs many godly kings many women who were gentiles and men who were evil The Messiah's bloodline reflects a cross section of mankind and fulfills Old Testament prophecies The bloodline is the introduction to God's only Son Jesus and his life death and resurrection God loves and communes with his creation on a daily basis The only possible way for God to continue his relationship with man beyond death was to send his only Son to act as an escape for the penalty of sin At no time has the bloodline of the Messiah been more important than now The worship of idols and the new paganism of today are very dangerous and extremely contagious to all of mankind 1 Peter 2:9 reads But ye are a chosen generation a royal priesthood a holy nation a peculiar people that ye should show forth the praises of him who hath called you out of darkness into his marvelous light

The Truth Which Sets Free Peter Dunstan, 2007-02-26 He who has ears let him hear Jesus said those words many times What did he mean He also declared The truth will set you free Which truth Free from what This book will tell you in no uncertain terms a message to be stapled on the world's bulletin board for any who pass by and in particular for those who have the right ears It is a thorough explanation of the astonishing freedom won by Christ for his elect and the devastating implications this has for all world

religion and philosophy especially Christianity It will shatter the myths underpinning many long cherished beliefs and rock the Church to its foundations Along with many other surprises you will discover that the word church is not even in the Bible This investigation covers most aspects of the Church with special reference to its origin in early times fathers councils creeds buildings names and titles saints priesthood and clergy celibacy ordination confirmation sacraments tithes sabbaths festivals gospels and media assurance second coming and ecumenical beliefs All these are weighed against Scripture namely the teachings of Christ the apostles and prophets and found to be either non existent obsolete not the same thing or quite the opposite However these concepts did not materialize from nothing all came from someone somewhere The revelation of each source will be quite a shock for readers who thought they had a handle on the facts Well documented and researched but written in dynamic style this presentation is often moving and alarming This is the truth which sets free **What Every**

M. Deigloriam,2023-02-08

God s plan for mankind is as unique as each person that has lived on this earth From the time of inception to the moment of death God has orchestrated a plan for each person God s love for mankind is all inclusive and allows for man s failures and achievements We wait and act in complete humility and prayer looking and listening for his direction and will for our life First Peter 5 6 7 reads Humble yourselves therefore under the mighty hand of God that he may exalt you in due time Casting all your cares upon him for he careth for you The believer receives the glorious gift of the Holy Spirit when a decision is made and a confession of faith made This is the same Holy Spirit that Peter received at Pentecost that empowered him to preach with such conviction that thousands were baptized and received the Holy Spirit into their being Christianity is under attack from multiple directions today The society of today no longer wants to recognize or obey any of God s commands Society of today is focused entirely on self and greed without love for one s neighbor *Every Man's Bible NLT, Large Print* Tyndale,2021-01-12 Designed Specifically for Men Available in an easy to read Large Print edition the popular NLT Every

Nativ,2006-09-29 The book s focus from which the title is derived is taken from Revelation 11 18 and opens with The Wrath of God continues with The Judgment of Mankind and closes with The Reward of the Saints A Jewish Biblical Scholar Nativ brings a unique often startling perspective to the Book of Revelation Basing his theories in Hebraic concepts not doctrine or dogma Nativ takes the reader on an exciting step by step journey through the Hebrew texts the original language of the Bible and through painstaking analysis breathes new life into the words of the Old Testament prophets the apostles and Jesus Take for example the word Armageddon Long interpreted as the ultimate battle between good and evil Nativ uses his extensive Hebrew knowledge to show it is a place not a battle and introduces the ancient Hebrew concept of a place of refuge as proof Should Nativ be correct not only will he change the theology but dictionary definitions as well Equally startling is his discussion of Revelation Chapter Nine regarding the opening of the bottomless pit and the release of the awesome creatures within Nativ not only explains what they are their origins and their purpose but most surprising the creatures present location as they await the ending of the Age Perhaps most controversial of all is Nativ s answer to the long asked question regarding the identity of the Beast and the meaning of the number 666 Not only will the reader be dumbfounded by the simplicity of Nativ s answer but horrified by the proximity Nativ is not dogmatic He does not expect everyone to agree with his study s conclusions but instead challenges the reader to prove him biblically incorrect Neither prophet nor the recipient of a great revelation from God Nativ s only claim is the wisdom from God to unveil the meaning of the Book of Revelation in all its complexities

The Prince of This World Adam Kotsko,2023-05-25 Kotsko goes beyond the biography of an icon to a provocative investigation of the devil s many lives and effects in cultural and political ideologies Laurel C Schneider author of *Beyond Monotheism* The most enduring challenge to traditional monotheism is the problem of evil which attempts to reconcile three incompatible propositions God is all good God is all powerful and evil happens *The Prince of This World* traces the story of one of the most influential attempts to square this circle the offloading of responsibility for evil onto one of God s rebellious creatures In this striking reexamination the devil s story is bitterly ironic full of tragic reversals He emerges as a theological symbol who helps oppressed communities cope with the trauma of unjust persecution torture and death at the hands of political authorities and eventually becomes a vehicle to justify oppression at the hands of Christian rulers And he evolves alongside the biblical God who at first presents himself as the liberator of the oppressed but ends up a cruel ruler who delights in the infliction of suffering on his friends and enemies alike In other words this is the story of how God

becomes the devil a devil who remains with us in our ostensibly secular age This diabolically gripping genealogy offers a stunning parable of western politics religious and secular It tracks as has never been done before the dramatic shifts of the relation between God and the Devil conflict rivalry game of mirrors fusion With the ironic wisdom of a postmodern Beatrice Kotsko guides us through the sequence of hells that leads to our own Catherine Keller author of *On the Mystery Discerning Divinity in Process* **Consequences** , **The Discovery of Freedom** Rose Wilder Lane,1943 The Mythic Forest, the Green Man and the Spirit of Nature Gary R. Varner,2006 Mankind has given a recognizable face to the awesome and impalpable forces of nature in the image of the Green Man and the nature spirits that this book explores The ways in which different societies and different craftsmen have depicted these spirits display the wide creative range of the human imagination but the persistence of the theme suggests that in all their many facets these spirits represent a deep primordial sense that humans have shared since civilization began For the very origin and message of these images have remained the same even if somewhat altered over time Traditional customs from around the world from the rites that celebrate spring and egg on the forces of fertility to folk health remedies and the use of talismans to ward off illness and other evils show some surprising similarities and hint at the shared origins of human culture Even though the original significance of many customs has been lost or diluted they still hold an appeal and many towns even today are re introducing seasonal fairs to recreate the link between man and nature Varner presents examples ancient and new from Europe and Asia East Coast and West and identifies in particular the different guises of the Green Man who has figured in architecture since before the advent of Christianity and still makes his appearance today peering out from behind his leaves on California banks and New York brownstone houses
