Smith, Mark

Pain, Normality, and the Struggle for Congruence James P. Anglin, 2002 Pain. Normality, and the Struggle for Congruence James P Anglin, 2014-02-25 Learn what children living in group homes need most Pain Normality and the Struggle for Congruence Reinterpreting Residential Care for Children and Youth presents the results of a 14 month study of 10 staffed group homes in British Columbia The book uses grounded theory to construct a theoretical model that speaks to the primary challenge care workers face each day responding to pain and pain based behavior in residents It combines participant observations transcribed interviews and document analysis to develop a core theme of congruence several major psychosocial processes and 11 interactional dynamics identified as being fundamental to group home life The study brings to light several neglected aspects of residential care and proposes new directions in policy development education practice and research to create an integrated and accessible framework for understanding group home life for youths Pain Normality and the Struggle for Congruence Reinterpreting Residential Care for Children and Youth is a full and rigorous examination of the theoretical and empirical underpinnings of residential group care The study conducted during a time of heightened sensitivity to the rights of children and increased emphasis on accountability and outcome measurement reveals a core theme of congruence focusing on consistency reciprocity and coherence The book examines the major elements of this theme including creating an extra familial living environment developing a sense of normality listening and responding with respect establishing a structure routine and expectations offering emotional and developmental support respecting personal space and time discovering potential communicating a framework for understanding and much more Pain Normality and the Struggle for Congruence Reinterpreting Residential Care for Children and Youth provides professionals concerned with the development and treatment of children and young people with a unique understanding of group home life and work From the Foreword by Dr Barney Glaser I am honored and delighted to be asked by Jim Anglin to write the foreword to this grounded theory text The purpose of this grounded theory is to construct a theoretical framework that would explain and account for well functioning staffed group homes for young people that in turn could serve as a basis for improved practice policy development education and training research and evaluation THE READER WILL SEE THAT ANGLIN HAS ACHIEVED HIS GOAL WITH ADMIRABLE SUCCESS HIS GROUNDED THEORY TRULY MAKES A SCHOLARLY CONTRIBUTION TO THE Therapeutic Residential Care for Children and Youth James K Whittaker, Jorge Fernandez del LITERATURE Valle, Lisa Holmes, 2014-09-21 Definitive and wide ranging this international review of the rapeutic residential child care covers the latest research on how it works how much it costs compared with the outcomes it delivers and how to deliver this effective form of care for the most troubled children in public care Challenging the Conventional Wisdom about Residential Care for Children and Youth Bruce B. Henderson, 2023-12-01 Is residential care inherently harmful This book argues that this conventional wisdom is wrong and is itself harmful to a significant number of children and youth The

presumptive view is based largely on overgeneralizations from research with infants and very young children raised in extremely deprived environments A careful analysis of the available research supports the use of high quality residential care as a treatment of choice with certain groups of needy children and youth not a last resort intervention The nature of high quality care is explored through child development theory and research and two empirically supported models of care are described in detail It will be of interest to all scholars and students of child development child welfare youth work social work and education as well as professionals working within these fields Assessment in Residential Care for Children and Youth Roy Rodenhiser, 2013-09-13 Residential treatment for children and youth RTCY programs not only need to be explored for the efficacy of the programs but also in the actual assessment of various aspects of those programs Assessment in Residential Care for Children and Youth provides practical information on the placement of children in residential care programs the efficacy of those programs staff issues and outcomes for youths in the programs Respected authorities examine issues on assessment upon entering residential care treatment issues during care and programmatic concerns from a larger systems perspective Unlike other resources on this topic this book uniquely focuses solely on assessment The book comprehensively offers strategies and practical assessment tools addressing the full spectrum of issues from the child s or youth s entrance in residential care to their exit such as placement treatment and outcomes This valuable text is extensively referenced and includes helpful figures and tables to clearly present data Topics discussed include assessment processes and tools to enhance therapeutic childcare interventions the unique needs of GBL youth in residential care settings a strengths based assessment tool developed specifically for use in juvenile justice programs staff satisfaction rates as compared to client satisfaction development of the Staff Implementation Observation Form that assesses staff competence delivering an intervention to youth in group home care with behavioral disorders differences in two residential care giving models in providing continuity of care for youth in residential placement an assessment technique that uses the point of view of children This book is a valuable resource for Residential Administrators program directors and coordinators counselors and staff who have a role in assessing residential treatment programs for children and youth at any level This book was published as a special issue of Residential Treatment for Children and Youth Revitalizing Residential Care for Children and Youth James K. Whittaker, Lisa Holmes, Jorge Fernandez del Valle, Sigrid James, 2023 This volume addresses the question of how societies with developed welfare and social service systems are assessing current needs and future directions in their residential child and youth care sectors by providing case studies and analysis across sixteen different countries Residential Children's Homes and the Youth Justice System Julie Shaw, 2014-06-03 This book explores the factors at the individual institutional and systemic levels which contribute to children's home residents coming to the attention of the youth

justice system and the consequent implications for policy and practice Perspectives are drawn from both young people and
