

Prayer for a friend in emotional pain

Lord God, please be with my friend, who is going through emotional pain. Wrap them in Your loving arms and provide them with comfort, strength, and hope. Help them understand that they are loved and are not alone. Give them the courage and wisdom to seek the help they need to heal. Through Christ our Lord.

AMEN

The Unshakable Truth Josh McDowell, Sean McDowell, 2010-06-01 The name Josh McDowell promises real life on the street. Christian apologetics. In his first Harvest House book, Josh joins his son Sean to draw on his life's work and comprehensively address a vital issue: why an entire generation of young Christians and millions of older believers is confused about what they believe, why they believe it, and how it's relevant. The Unshakable Truth is uniquely positioned for younger Christians because it presents apologetics relationally, focusing on how Christianity's doctrines affect relationships. The authors ground every assertion in the overarching story of creation, incarnation, and re-creation. It distills 12 crucial faith statements, for example: A personal Creator God exists; explain why each statement is trustworthy, how it applies to real life, and using examples, stories, and experiences, what its relevance is. A spiritual gold mine for parents, youth workers, pastors, anyone wanting to reveal Christianity's relevance to today's life and culture.

Corsairs and Captives: Narratives from the Age of the Barbary Pirates Adam Nichols,2024-11-30 Explores the complex human narratives of Barbary corsairs from the 16th to 19th centuries revealing the intricacies of conflict faith and personal struggles through primary source accounts From the mid sixteenth to the early nineteenth centuries Barbary corsairs from

North Africa swarmed the Mediterranean and the Atlantic seizing enormous amounts of booty and tens of thousands of captives hauling them back to the slave markets in their home ports and auctioning them off to the highest bidder The conflict between these Barbary corsairs and Europe was military but not just that religious but not just that social and economic but not just that either Above all it was a human conflict with all the confusion blurred lines and inherent messiness of such things and the narratives it generated were more complicated than simple swashbuckling pirate tales Corsairs Captives presents a collection of these narratives all based directly on primary source documents a number of which are translated into English for the first time They include biographies of four renegade corsair captains Europeans who converted to Islam and became corsairs descriptions of sea battles by those who were there accounts of ransomed captives the report of a French Trinitarian friar who led a ransoming expedition to Algiers even the transcript of a trial held by the Canary Islands chapter of the in famous Spanish Inquisition These narratives bring to life a world much rougher than our own but no less complicated in which people with the ordinary human fears and aspirations we are familiar with today struggled to endure It is not the world most people expect when they think of Barbary corsairs It is more interesting than that
