*Corporeality and Performativity in Baroque Naples* Alessandro Giardino, 2017-11-08 This book provides an interdisciplinary introduction to the Neapolitan Baroque through original and in depth interpretations of pivotal masterpieces of Neapolitan art literature philosophy theater The book also presents the city of Naples as a cultural space in which the body functions as a visual literary and urban metaphor By examining the works of Giordano Bruno Caravaggio Giambattista Basile Silvio Fiorillo and Raimondo di Sangro Principe di San Severo the essays comprising this volume show the contribution of these world renowned figures to the Baroque imagery of Naples but also highlight the impact the city had on their work Finally the book stirs reflection on the enduring presence and current revival of the Neapolitan Baroque by looking at contemporary culture and the cinematic adaptation of baroque works such as Matteo Garrone s *Tale of Tales*      **Salvator Rosa in French Literature** James Patty, 2005-01-31 Rosa s works began entering major French collections during his lifetime and many of the passages at the heart of Salvator Rosa in French Literature describe evaluate and interpret paintings displayed in the Louvre Recently a large hall in the Louvre was named for Salvator Rosa the painter once dubbed bizarre by some critics in the seventeenth and eighteenth centuries now holds a very visible place among the great artists enshrined in one of the world s great museums Salvator Rosa in French Literature provides a comprehensive interpretation of Rosa s work and a clear evaluation of his mark on French literature BOOK JACKET      **Wives, Widows, Mistresses, and Nuns in Early Modern Italy** Katherine A. McIver, 2016-12-05 Through a visually oriented investigation of historical in visibility in early modern Italy the essays in this volume recover those women wives widows mistresses the illegitimate who have been erased from history in modern literature rendered invisible or obscured by history or scholarship as well as those who were overshadowed by male relatives political accident or spatial location A multi faceted invisibility of the individual and of the object is the thread that unites the chapters in this volume Though some women chose to be invisible for example the cloistered nun these essays show that in fact their voices are heard or seen through their commissions and their patronage of the arts which afforded them some visibility Invisibility is also examined in terms of commissions which are no longer extant or are inaccessible What is revealed throughout the essays is a new way of looking at works of art a new way to visualize the past by addressing representational invisibility the marginalized or absent subject or object and historical in visibility to discover who does the looking and how this shapes how something or someone is visible or invisible The result is a more nuanced understanding of the place of women and gender in early modern Italy      **Eighteenth-century French**

*Derek Jarman: The Authorised Biography* Tony Peake, 2025-03-20 Tony Peake enjoyed unprecedented access to the visionary artist's archives in order to bring the extraordinary life of Derek Jarman to the page. This authorised and unique biography covers Jarman's story from the bleakness of post-war Britain and his RAF childhood to student life at The Slade and his work as a designer, painter and filmmaker. It tells how energetic home filmmaking with dazzling friends led to distinctive feature films including *Sebastiane*, *The Tempest* and *Caravaggio*. There were collaborations with the likes of Sir John Gielgud and Tilda Swinton and Jarman was also at the forefront of popular culture producing distinctive music videos for Pet Shop Boys and The Smiths. Alongside his art and a significant body of writing, Jarman created a singular garden in the shingle surrounding Prospect Cottage at Dungeness in Kent which has become a site of memorial celebration and pilgrimage. He became known as an impassioned and provocative spokesperson not only for gay men but for anyone oppressed by bigotry. Derek Jarman died of AIDS-related causes in February 1994 and Peake describes his inimitable courage and grace in the face of painful death and the legacies Jarman left behind. With new contributions from Olivia Laing and Jon Savage.

*Italian Confraternities in the Sixteenth Century* Christopher F. Black, 2003-08-28 Confraternities were and are religious brotherhoods for lay people to promote their religious life in common. Though designed to prepare for the afterlife, they were fully involved in the social, political and cultural life of the community and could affect all men and women as members or as the recipients of charity. Confraternities organised a great range of devotional, cultural and indeed artistic activities in addition to other functions such as the provision of dowries and the escort of condemned men to the scaffold. Other works have studied the local activities of specific confraternities but this is the first to attempt a broad survey of such organisations across the breadth of early modern Italy. Christopher Black demonstrates clearly the extent, diversity and influence of confraternal behaviour and shows how such brotherhoods adapted to the religious and social crises of the sixteenth century, thus illuminating current debates about Catholic Reform, the Counter Reformation, poverty, philanthropy and social control.

*Derek Jarman* Tony Peake, 2000 Biography of the outrageous and controversial filmmaker, painter and gardener.

**Church, Religion and Society in Early Modern Italy** Christopher Black, 2017-07-14 Many Italians in the early sixteenth century challenged Church authority and orthodoxy, stimulated by religious Reformation debates and the lack of agreement on alternatives to Rome's leadership. This book surveys and analyses the various positive and negative responses which led to a reformation of Church institutions and parish life for the lay population, especially after the Council of Trent in 1563. *Church, Religion and Society in Early Modern Italy* discusses the roles of bishops and parochial clergy, seminaries and religious education. Examines religious orders and lay confraternities, particularly in relation to good works or philanthropy. Explains the varied uses of the visual arts, music, processions and festivities to enthuse and educate the laity. Pays special attention to two controversial issues: the Inquisition's role and the stricter enclosure of nuns. Comprehensive yet

approachable Christopher F Black's volume incorporates diverse religious practices and experiences and explores the successes and failures of reform throughout mainland Italy during a period of religious and social upheaval **Art and Architecture in Naples, 1266 - 1713** Cordelia Warr, Janis Elliott, 2010-05-11 Often overshadowed by the cities of Florence and Rome in art historical literature this volume argues for the importance of Naples as an artistic and cultural centre demonstrating the breadth and wealth of artistic experience within the city Generously illustrated with some illustrations specifically commissioned for this book Questions the traditional definitions of cultural centres which have led to the neglect of Naples as a centre of artistic importance A significant addition to the English language scholarship on art in Naples
