language thinking and reason constitute the essence of D gen s proposed Zen praxis and that such a Zen opens up new possibilities for dialogue between Zen and contemporary thought This fresh assessment of D gen s Zen represents a radical shift in our understanding of its place in the history of Buddhism *Subject Headings Used in the Dictionary Catalogs of the Library of Congress [from 1897 Through December 1955]* Library of Congress. Subject Cataloging Division, Marguerite Vogeding Quattlebaum, 1957 *Understanding Pictures* Dominic Lopes, 1996-03-28 There is not one but many ways to picture the world Australian x ray pictures cubist collages Amerindian split style figures and pictures in two point perspective each draw attention to different features of what they represent The premise of *Understanding Pictures* is that this diversity is the central fact with which a theory of figurative pictures must reckon Lopes argues that identifying pictures subjects is akin to recognizing objects whose appearances have changed over time He develops a schema for categorizing the different ways pictures represent the different kinds of meaning they have and he contends that depiction s epistemic value lies in its representational diversity He also offers a novel account of the phenomenology of pictorial experience comparing pictures to visual prostheses like mirrors and binoculars The book concludes with a discussion of works of art which have made pictorial meaning their theme demonstrating the importance of the issues this book raises for understanding the aesthetics of pictures
